coretary of the Navy, and Tyrus taymond Cobb.

Wirgins outclassed North Carolina overy particular, its fast backs aining ground at will. The visitors care on the defensive for the larger art of the game. Old-style football cas resorted to, not a single forward mass being made by either team. Alguing soured three toughdowns by ruselling line plunging, while Caroling made its jone score by the field toul route, the ball being kicked of Tandy from the 40-yard line. Gooth, Mayor and Colema, started or Virginia, while Captain Taylos, fandy, Homewood and Parker played stellar ball for the lesers.

To Mayer P. C. Eugler, of Washing-ton, N. C., November 27, 1914: I here exhibit to you a true copy of a city tax receipt which will speak

RETURNS PROM VISIT.

The New Theatre will have in addition to their regular program of three reels of platures tonight the last been spending several days with installment of "Lucille Love." the girl of mystery. This picture is creating a great deal of interest in Weshington, on it is a spinning aerial picture with two reels rus every week. On next Monday the New Theatre will present "Tempert and Sunshine" in four acts.

The prices for this attraction will be 18 and 28 cents in the balcony, and 38 cents for the entire lower floor. They should have a full house.

AMERICA OF THE "GOOD **OLD TIMES" YEARS AGO**

to the United States 13

The United States, says the branch of the country of the fished in 1815, comprising all the vistues of the nation into two sentences, are celebrated for the excellence of their constitution, which brovides for political liberty and individual security. The inhabitants are justifus specially, and for their ardent love of freedom, for their broughtly and industry, and for their ardent love of freedom, for their broughtly and industry, and for the great attention they pay to agriculture and commerce."

And back to this nation of the early 1800s we are now referred in "Life in America One Handreds Years Ago." an illustrated volume by Gaillard Hunt, published (Harpers) apropos of the centennial of our hat treaty of peace with Great Britain.

"The sensus of 1819," writes Mr. Hunt, "showed that there were then 1,00 7,280,902 inhabitants in the United 1,00 for wore a smilling aspect and was and lake a Continental town. Boston and the cleaning town. Boston and the cleaning town.

Hunt, "showed that there were then 7,239,902 inhabitants in the United 7,330,902 inhabitants in the United.
States, including Louisians, of whom
1,191,364 were negro slaves. By
1815 the whole population was more
than 4,000,000. For the first tes
years of national existence (from
1790 to 1800) it had increased by
2,000,000, 207 the second (1970 to 2,000,000; for the second (1899 to by 34 1-2 per cent for the first ten years and 36 1-4 per cent for the second decade. By 1830 it was 12. 868,020; by 1860, 31,443,231, and it

is now about 99,090,000. The most sanguing prophets did not prognosticate so rapid an increase.

Toli of the Races in 1810.
"It was customary to divide the population ethnologically into three rest classes: Europeans and their secondants, Africans and their descendants, and Indians. The Europeans were of English, Dutch, German, French, Irish, Scotch, Swedish, Swien and Welnh stock. New England and the South, so far as its
