SHOP EARLY AND BUY IN WASHINGTON.

Notwithstanding the difficulty of obtaining imported merchandise by reason of the barriers to commerce which war has erected, the stocks of the merchants of Washington are at this time very complete in their various departments.

Many of our merchants anticipated the effect of hostilities, and secured the bargains that London, Paris, and Berlin were in no position to take from the manufacturers of Great Britain, France and Germany.

The merchandise offered this season to the public in the stores of Washington is as varied in assortment, as choice in quality, as exquisite in design, where art enters into creation, and as reasonable in price, as that to be found in any of the shopping centers of the United States.

Residents of Washington should make it a point of honor to patronize the local merchants, who strive so earnestly to gather from all quarters the very best of manufactured articles for their customers, and who do so much in every way to promote the growth of the city and surrounding territory in all of the mercantile interests.

Every dollar expended in the establishments stores, and shops of Washington does its duty in aiding the general business of the city, reflects, in its own degree, a benefit to all those interested in the city's progress and the prosperity of its people.

If homes are to be furnished with the stocks that are offered by the stores in this city, if dwellings are to be adorned, in no establishments on the side of Washington can there be found richer, more tasteful or more varied stocks than from the stores of Washington.

Complete as are the stocks of the merchants here, the call to shop early will be also for the best to head, as by doing so they may not have the chance of the large assortments, but they can do their buying with better judgment and with greater ease and satisfaction than in the days of the past.

Shop early and buy in Washington should be the popular slogan for the coming weeks.

MARKETING WORLD'S GREATEST PROBLEM

WE ARE LONG ON PRODUCTION, SHORT ON DISTRIBUTION.

By Peter Redford, Lecturer National Farmers' Union.

The economic distribution of farm products is today the world's greatest problem and the war, while it has brought its hardships, has clearly emphasized the importance of distribution as a factor in American agriculture and promises to give the farmers the co-operation of the government and the business men the solution of their marketing problem.

The World Will Never Starve. At no time since Adam and Eve were driven from the Garden of Eden have the inhabitants of this world suffered from lack of production, but some people have gone hungry from the day of creation to this good hour for the lack of proper distribution.

Children Cry for Fletcher's CASTORIA

The Kind You Have Always Bought, and which has been in use for over 30 years, has borne the signature of and has been made under his personal supervision since its infancy.

What is CASTORIA? Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other Narcotic substance.

GENUINE CASTORIA ALWAYS Bears the Signature of Dr. J. C. Fletcher. In Use For Over 30 Years. The Kind You Have Always Bought.

It is safe to estimate that the market can easily increase production 25 per cent if a remunerative market can be found for the products. In textile fibers the world shows an increase during the past half decade in production of 25 per cent against a population increase of three per cent.

Over production and crop mortgage force the farmers into ruinous competition with each other. The remedy lies in organization and in cooperation marketing.

Ellen explains red cross seals. Ellen, who is seven years old and lives out in Kansas City, came home from school the other day with a red cross and white "subscription card" the teacher had given her.

Ellen's mother read the letter that small daughter had brought home telling how often tuberculosis can be prevented, and when she had finished she signed the card for a liberal number of seals.

STOMACH TROUBLE FOR FIVE YEARS

Majority of Friends Thought Mr. Hughes Would Die, But God Hinged Him to Recovery.

Pompton, Ky.—In interesting advice from this place, Mr. A. J. Hughes writes as follows: "I was down with stomach trouble for five (5) years, and would have sick headache so bad, at times, that I thought surely I would die. I tried different treatments, but they did not seem to do me any good. I got so bad, I could not eat or sleep and all my friends, except one, thought I would die. He advised me to try Vedford's Black-Draught, and I

taking other medicine I decided to take his advice, although I did not have any confidence in it. I have now been taking Black-Draught for three months, and it has cured me—haven't had those awful sick headaches since I began using it.

I am so thankful for what Black-Draught has done for me." Theodor's Black-Draught has been found a very valuable medicine for derangements of the stomach and liver. It is composed of pure, vegetable herbs, contains no dangerous ingredients, and acts gently, yet surely. It can be freely used by young and old, and should be in every family chest. Get a package today. Only a quarter.
