COTTON COMMITTEE HOLD CONFERENCE

MEN FROM THE SOUTH DISCUSS ED PLANS FOR USE OF LOAN FUND.

WILL REQUIRE REDUCTION

Estimated That \$70,000,000 at Least of the \$125,000,000 Pool Will Be Applied for by Growers.

Washington.—The \$125,000,000 cotton loan fund plan to finance the current cotton crop, was approved unanimously by representatives of committees which will aid in handling the fund in Southern States.

Although no definite statements were made at the meeting as to how much cash will be drawn from the fund to carry the surplus crop, estimates ranged from \$10,000,000 to \$70,000,000 and members of the cotton loan committee were confident that the fund would be applied for in full.

There was evidence that many of the state committees agreed with the idea advanced by officials here that cotton producers next year must cut their cotton production.

The representatives from 10 states included: Moorhead Wright, Arkansas; R. F. Maddox, Georgia; Col. Wexler, Louisiana; Z. D. Davis, Mississippi; Joseph G. Brown, North Carolina; A. C. Trumbo, Oklahoma; R. G. Rhett, South Carolina; Henry D. Lindsay, Texas; E. L. Rice, Tennessee; and State Senator Milton, Florida.

THE GENERAL FARM NOTES

Proper training counts for much in a dairy cow. With cows long in milk the butter will come slowly. Successful agriculture means selling without waste. It is hard to regain a milk flow that has once been lost.
