Puzzled.
 Bobby's father owned an incubator, and one day the little fellow was watching a chicken curiously pecking its way through its shell. Just then his father came along and Bobby said: "Papa, I see how that chicken gets out of his shell, but what I can't understand is how he got into it."

CAPT. LEACH ADVOCATES FAIR

Urges That Matter be Given Consideration
WOULD BENEFIT CITY AND COUNTY
 Suggests Plans by Which Project Could Be Started in Washington.

That some attempt should be made to have a county fair in Washington this fall, was the statement made this morning by Capt. George T. Leach. Mr. Leach expressed himself as heartily in favor of this project and urged that it be given immediate attention and that the residents of both city and country give it their consideration.

"The counties all around us have their annual fair," said Capt. Leach, "and there is no reason why we should not have one here in Washington. A fair is of great benefit to the community in which it is held. It brings the city and country people closer together; it advertises the resources of this section; it encourages the farmers to give more attention to bettering their crops; it intensifies community interest and it is a good thing in every way you look at it. This is a proposition that some organization, the Chamber of Commerce for instance, would do well to get in back of and give it their support. I sincerely hope that the matter will be given the consideration that it deserves and that we will be able to have this fair this fall. It will mean a lot to us and it will show the outside world what Beaufort county can do in the way of raising good crops.

"Another way of going about the thing, is to form a fair association, let them elect officers, take stock in the project, and float the matter in this way. In a number of cities, this is done successfully and has proven a most profitable investment to those who have interested themselves in it."

Serious Charge Against Man

Rowan County Resident Charged With Attempted Criminal Assault.

Salisbury, May 21.—Sheriff Krider and Deputy Nash this afternoon arrested and placed in jail Carl Earnhardt, a white man of Gold Hill, who is charged with attempted criminal assault on Ida Hampton, a girl. The alleged crime occurred today when the girl was on her way to the rural mail box. Her father was near however, and it is alleged saved her from Earnhardt's designs after she had been thrown to the ground.

Races Furnish Amusement

Interesting Events Held at the Park Yesterday Afternoon.

The various races at the park yesterday afternoon furnished considerable amusement and interest for the large crowd of interested spectators.

The 100 yard dash and the 220 were won by Henry Webster. The girls' race was captured by Miss Helen Henderson. Rufus Carter outdistanced the younger boys in their race and Richard Cherry had enough gum on his hand to hold the greased pig.

All students who desire to enter the summer school, which will start Monday, are requested to be at the high school office tomorrow morning at ten o'clock to register.

Local Social Activities Interesting Happenings of the Week

A SURPRISE PARTY.

A most enjoyable surprise party was given Friday afternoon by Miss Mary Tankard to her aunt, Mrs. W. B. Walling, who also celebrated her birthday anniversary on that day.

About twenty-five friends assembled at the Walling home at 4 o'clock taking Mrs. Walling completely by surprise. The occasion was a most delightful one and enjoyed by all present. Refreshments were served in two courses—a salad course and an ice cream course. Misses Theo. Welch, Lillian Campbell and Marc Ayers assisted in the serving. Mrs. Walling was the recipient of many beautiful gifts.

ATTEND COMMENCEMENT.

Misses Elizabeth Carrow, Annie Grist, Elizabeth Simmons and Rebecca Simmons will leave tomorrow to attend the commencement exercises of A. and M. College.

ENTERTAIN CRESCHITES.

The Crescite Book Club is meeting this afternoon with Mrs. Hoyt Moore. Several interesting papers were read during the early part of the meeting and an enjoyable meeting is being held. The attendance includes practically all of the prominent members. A social session followed the business session at which Mrs. Moore served delightful refreshments.

ATTEND COUNCIL.

Mrs. W. A. B. Branch, Miss Rachel Rumley, Mrs. Julius Cutler and Miss Lena Windley were delegates of the women's auxiliary and parochial societies of St. Peter's Episcopal Church at the council which was held in New Bern during the early part of this week. The first three ladies returned home Wednesday. Miss Windley returned home this morning.

They report a most delightful meeting, and speak most cordially of the hospitality shown all of the delegates by the people of New Bern.

ENTERTAINED AT CARDS.

Mrs. H. C. Bradley of Panama, who is visiting relatives and friends in the city, was the guest of honor at a delightful card party, which was given Tuesday evening. Bridge formed the pastime at which Mrs. Dave Taylor made a high score. She awarded the prize to Mrs. Bradley. Mrs. Hoyt Moore was the recipient of the booty prize.

The handsome home was beautifully decorated with daisies, no-ties and sweet peas and presented a most attractive appearance. The guests were met at the door by Miss Josephine Kusler. Little vanity cases were attached to the score cards and were retained by the guests as reminders of the enjoyable occasion. Refreshments were served in two courses.

ADDISCO CLUB MEETS.

Miss Jane Myers and Mrs. W. D. Grimes are hostesses of the Addisco Book Club this afternoon at the Myers home on Water street. A goodly number of members are in attendance and an interesting program is being carried out, a feature of which is the report of the delegation which attended the Federation of Women's Clubs meeting at Greensboro.

O. HENRY CLUB MEETS.

Mrs. W. C. Rodman was hostess Wednesday afternoon to the members of the O. Henry Book Club at her handsome home in East Main street. Mrs. H. W. Carter, vice president, presided, as the president, Miss Rodman, was out of town. After the business session Mrs. A. M. Dumay's sketch of "Petruccio's Wooing" was attentively listened to. Mrs. Dumay's paper was clever in construction and witty in narration; clearly bringing out "The Tamed Shrew." A beautiful description of a Midsummer Night's Dream was then given by Mrs. C. M. Brown. Her interpretation was a perfect one; full of the elfish illusion and mad fantasy that pervades "Love's Labour's Lost." The literary program was then continued with readings from the third and fourth acts of a Midsummer Night Dream. A report of the Federation of Clubs held in Goldsboro was read by Mrs. S. R. Clary, delegate from the club.

After the distribution of books delicious refreshments were served by the hostess and her attractive daughter, Theodora. The club meets June 3rd, with Mrs.

H. W. Carter.

Mrs. Clary's report was as follows:
 Ladies, I wish to thank you for the opportunity of attending the Federation and heartily wish each of you could have been with us. It was a wonderful experience and a privilege to hear and be associated with those great brainy women; and it gave one a thrill of pride to feel that we were in a way, part of that great course of earnest workers, each with a soul stirring message for the needy cause that they so powerfully championed, standing together united for the good of humanity. The Federation opening session was Tuesday, 8 p. m. at the new courthouse that Goldsboro turned over to the women; in fact Goldsboro was wide open to the Federation and their hospitality and generosity knew no bounds. I give part of the opening program, so you can get a idea of the delightful sessions, each growing more interesting and instructive.
 Invocation—Rev. Peter McIntire. Address from the town—Col. Joseph Robinson. Address from the club—Mrs. D. R. Kornet. Woman's Club. Response—Mrs. Clarence Johnson. Vocal Solo—Mrs. Horace Dowell. PICNIC WAS A "WHITE WAY" COMPLETE SUCCESS IS PLANNED FOR CITY

Will Extend Through Business Section of Washington.

HOLD ANOTHER NEXT YEAR

Believed that Joint Picnic Will be Made a Permanent Annual Event.

According to the picnic committee, between 1,800 and 2,000 persons attended the outing at Washington Park yesterday. Others however, claim that this estimate is too low, and that 2,500 would be more correct. At any rate, the grounds were crowded with pleasure seekers, who enjoyed the picnic and the various forms of amusement that were provided for them.

The supply of refreshments was ample to provide everyone with plenty to eat. Dinner was served on the immediate river front, under the shade of the trees. It is estimated that over 1,500 were seated on the hurriedly provided benches and on the grass, enjoying their lunch. Forbes' orchestra furnished music for the occasion and added greatly to the pleasure of the outing.

After dinner, a number went in bathing, while others enjoyed the swings, watched the races and witnessed the ball game later on in the afternoon.

At about four o'clock, the crowd began to return to the city. By six o'clock the park was deserted of picnickers and the only visible reminders were the paper on the grass, the large tents, swings and benches.

So successful was the event that the committees from the various churches practically decided yesterday afternoon to hold a similar picnic next year in the same manner.

American Money Meets British Nobility

A SCENE IN "THE MAN FROM HOME" TO BE GIVEN HERE ON CHAUTAUQUA.

If you were a young lawyer secretly in love with a most charming young lady whose fortune had been left in your care by her father and this young lady wanted your consent to marry a worthless nobleman who demanded that she give him her fortune as a marriage settlement and your investigations proved that it was all a game of fortune hunting on the part of the people with titles, what would you do?
 Well, that is just what Daniel Voorhees Pike, "the man from home," did. This great American comedy is to be given here on the last night of our Chautauqua by the Aven Players, a most capable company, and you will have the opportunity of seeing one of the most successful productions that have come to the American stage in many years.
 You'll admire Pike, with all of his shrewdness and drawing humor, his courage and his self-sacrifice. And you'll like Ethel Granger-Stimpson—at last, though you may pity her at first. All of the characters are exceptionally well portrayed.
