SUBMARINE CAMPAIGN LAUNCHED

NATIONAL DEFENSE LEAGUE WANTS CONGRESS TO APPROPRIATE FOR ONE HUNDRED SUBMARINES.

BADLY NEEDED

League Has Started Campaign Through Country to Arouse Public Sentiment for 100 Submarines in Next Naval Bill.

(Special to the Daily News) Washington, D. C., July 17.—Congress should appropriate for one hundred submarines at the next session, according to a statement issued here today by the National Defense League.

"A recent account, widely printed by the press, that the General Navy Board will recommend appropriations for at least thirty submarines and that these will be included in the naval estimate to be sent to the next Congress by Secretary Daniels, is as light as far as it goes, but it does not go far enough," according to the League's statement.

"We must make provision for more than three times that number of undersea boats," declares the statement.

The League has launched a campaign throughout the country to arouse public sentiment for one hundred submarines in the next naval bill. It will agitate the question of an adequate number of submarines until Congress convenes next December.

In this campaign the League will have the support of powerful members of Congress. A letter received by the League today from Representative William D. Stephens, of Los Angeles, Cal., as follows:

"I am more than ever convinced that the United States should have another hundred submarines, at least fifty of them stationed on the Pacific Coast, more battleships, and several battle cruisers, besides a sufficient number of auxiliary vessels."

"The United States now has a total of 70 submarines, built or building, but many of those now in commission are obsolete and practically worthless. If Congress will provide at the next session 100 new submarines, with the submarines now authorized, or building, with those that are in commission which are really efficient and seaworthy, the Navy will then have a fleet of approximately 150 undersea boats that will be ample to protect the Atlantic and Pacific Coast lines, Alaska, Hawaii, the Philippines, and the Panama Canal," is the assertion of the League.

"While most of the new submarines should be coast and harbor defense vessels a suitable proportion should be sea-going craft with a cruising radius of at least 3,000 miles, a radius large enough to enable the boats to be shifted from coast line to coast line, through the Panama Canal, and from the Pacific Coast to Alaska or Hawaii under their own power."

FIFTEEN MEN FANNED BY KINCAID

GOOD PITCHING AND HEAVY HITTING RESULTED IN VICTORY FOR LOCALS.

SCORE 8 TO 4

Fifteen Hits Secured by Washington Players. McAllister Sends One Over Fence for Homer.

Excellent pitching by Kincaid and heavy hitting by the locals, aided in the victory of the Washington team over Greenville yesterday, the score being 8-4.

Kincaid pitched a masterly game, striking out fifteen men and only allowing three hits. Had he been given the proper support, the Greenville players would not have secured more than one safe bingle.

Davenport, Moore, Carrow, McAllister and Smith led in the batting for the Washington team. McAllister's homer in the eighth inning was one of the longest wallops ever seen on the field.

Washington scored the first tally of the game in the third inning, Moore clouting out a two bagger, and scoring on Carrow's hit. In the fourth inning, a three base hit by Tyndall, a base on balls for Lewis, Kincaid's error on Brinkley's grounder, a hit by Nunn and a base on balls for Lanier, resulted in three scores for the victors.

The locals made another tally in the sixth on a hit by Kincaid, a three-bagger by Smith and singles by Webster and Davenport. Poor base-running kept them from getting two more tallies.

In the seventh, Washington made three more runs; Carrow and McAllister hitting safely, Jim Hackney driving out a two bagger, Kincaid getting to first on Brinkley's error.

In the eighth inning, the locals again made three runs, the tallies being the result of a hit by Davenport, another by Carrow and a homer by McAllister. Greenville scored their last run in the ninth, Lewis getting a base on balls and scoring on J. Hackney's and Smith's errors over Nunn's ball.

\$15,000,000 TO OWNERS OF FORD AUTOMOBILES

Factory Notched \$90,000 Mark Yesterday and Will Share Profits. Detroit, Mich., July 15.—The Ford Automobile Company this afternoon announced a refund of approximately \$15,000,000 to owners of Ford automobiles who have purchased their machines since August 1, 1914.

On August 1, 1914, the company announced that if 300,000 machines were sold during the ensuing year, each purchaser would receive a refund of from \$40 to \$60. The 300,000 mark was reached today. The company says the refund is strictly in the nature of the profit distribution policy of the company.

MILITIA ARE BACK FROM CRUISE

WERE GONE FOURTEEN DAYS; RETURNED YESTERDAY AFTERNOON.

ENJOYABLE TRIP

Washington Made Average of 9.4 at Target Practice. Wisconsin Won With Average of 9.4.

The Washington division of the N. C. naval militia returned home yesterday afternoon from their annual cruise along the Atlantic coast. They left here on the 3rd and have been gone for fourteen days. The trip is said to have been one of the most successful that has ever been held.

The U. S. S. Kearsarge, on which the trip was made, left New York at eleven o'clock Wednesday morning, arriving at Cape Henry Thursday afternoon at four o'clock. Torpedo fence drills were held that night. Yesterday morning at four o'clock, the Kearsarge resumed her trip and arrived at Hampton Roads at eight o'clock. Here the navy tug took the District of Columbia boys on board and carried them to Newport News. Returning, the tug took the North Carolina division to Norfolk, the boys arriving at that city at ten o'clock. They left at 11:30 and the Washington boys reached home at 4:20 yesterday afternoon.

The Wisconsin division won the target practice at Gardner's Bay with an average of 9.4. The District of Columbia was second with 8.6. Although North Carolina ranked rather low, the Washington boys made an average of 8.4 at the guns.

The local division, in speaking of the trip, are loud in their praise over the treatment they received from Captains H. M. Christy and Lieutenant Commander Cotton. In fact all of the officers were most considerate and did everything in their power to make the trip a pleasant one for the men.

CAUGHT MANY FISH WHILE AT OCRACOCKE

STERLING AND GRIST BREAK ALL RECORDS FOR HAULING OUT BLUEFISH AT THE ISLAND.

About twenty Washington residents, who have been spending some time at Ocracoke, returned to this city last night. All of them were unburned to a deep brown but every member of the party insisted that they had had the best kind of a time and enjoyed every minute of their stay on the island.

They brought back a number of tales regarding the fishing that is to be had there. Sam Grist and Charles Sterling recently broke the record. They caught 116 large bluefish in two and one-half hours. During their stay at the island they averaged 90 bluefish a day.

PROTRACTED MEETING IS WELL ATTENDED

Large Congregations Attend Services at Asbury Church. (Special to the Daily News)

River Roads Station, July 17.—The protracted meeting at the Asbury church was commenced last Monday and is progressing successfully with a large attendance at each of the meetings. The services are being conducted by Rev. J. J. Lewis, of Bath, and Rev. E. C. Glenn of Greensboro, N. C., whose eloquent discourse has been very much appreciated by large and attentive congregations.

Dr. Lewis is held in the highest of esteem in this community and elsewhere, not only by his own congregation but by all persons who have the pleasure of meeting with him, regardless of denomination.

FORBIDS SALE OF LIQUOR TO FRENCH TROOPS IN PARIS

Paris, July 17.—General Gallieni, military governor of Paris, today issued an order forbidding the purchase by or sale to soldiers or officers of any grade in the entrenched camp of Paris of any alcoholic liquors.

Offenders will be cited to appear before the police courts and military tribunals. Liquor dealers violating the order will be punished by a temporary suspension of their license on the first offense and the revocation of their license on the second.

WAS BURNED TO DEATH IN FIRE

WOMAN AT AURORA BURNED TO A CRISP WHEN BARN, IN WHICH SHE WAS, CAUGHT FIRE LAST NIGHT.

DEATH A MYSTERY

Rumored That She Was Locked Up in Barn and the Building Then Set on Fire. Whereabouts of Husband Unknown.

(Special to the Daily News)

Aurora, N. C., July 17.—The wife of John Britton, a negro who lives about a mile from here, met death last night as the result of a fire which destroyed a barn in which she happened to be at the time. The body of the woman was burned to a crisp. The barn was also completely destroyed.

That there is some mystery connected with the tragedy, is the general opinion of local residents. The fire occurred during the night, although no one knows the exact hour. How the woman happened to be in the barn, why she did not run out when the fire started, or how the blaze originated, are questions which have not yet been answered.

Britton's whereabouts are not known. Some hold to the opinion that the fire was started by him in order to get rid of his wife. This, however, is merely a rumor. A search for him is being made now.

Britton is found. Later word received here is to the effect that Britton has been found and is being brought to this city. It is stated that he asserts that his wife set fire to the barn herself.

WONT TAKE TRIP TO ASBURY CHURCH

It was announced this morning that the Baraca Class of the Methodist church had abandoned their trip to the Asbury church near Hurdon, which was scheduled to have taken place tomorrow.

Owing to a misunderstanding concerning arrangements had been made. It is probable that the Baraca class will go on a later date.

A special session of the class will be held tomorrow at 9:45. All members are urgently requested to be present.

GAMES ARRANGED BY LOCAL BALL CLUB

Play Grimesland Today, Plymouth Monday and Aurora Tuesday, All on Local Diamond.

Washington and Grimesland will play here this afternoon. The game was arranged this morning, upon receipt of a message from the manager of the Grimesland team.

Monday afternoon, the locals will stage a second contest with the Plymouth team on the local diamond.

On Thursday, Aurora will come to Washington and will play the locals at Fleming Park.

Later advice received is to the effect that this afternoon's game with Grimesland has been cancelled. On Tuesday of next week the locals will journey to Greenville. They will endeavor to arrange a game with Grimesland here for Wednesday. Friday they play Plymouth again at Plymouth.

SAY BANK IS IN POOR SHAPE

Cashier J. W. Miller Said to Have Made Some Bad Loans. Not Believed He Used Money Missing For His Own Purposes.

(Special to the Daily News) New Bern, N. C., July 17.—Reports last night from Oriental were to the effect that the affairs of the Bank of Oriental whose cashier, J. W. Miller, last Monday morning committed suicide, were in very bad shape.

Examiner Nicholson, who has been here since last Tuesday making an investigation of the affairs of the institution, completed his work yesterday afternoon and came on to New Bern where he spent last night. While he gave out nothing to the public, his findings were pretty generally known around Oriental.

Bad Loans. From what could be learned it seems that Mr. Miller did not divert any of the bank's cash to his own use but rather made bad loans and that in place of the cash which should have been on hand, there is considerable "slow" paper. Just how much of this the bank now has is a matter of speculation but it was stated that there was "not much money to be found."

Bank Examiner Nicholson will make his report to the Corporation Commission and they will appoint a receiver for the institution. Just whom will be appointed is not known but it is understood that the directors of the bank at Oriental have asked that Will Swann, president of the Bank of Pamlico, be selected for this place and as Mr. Swann is a man of known business ability and integrity, it is probable that he will be named for the place.

Depositors Worried. While the capital stock of the Bank of Oriental was not very large, it carried quite a neat sum in deposits and the depositors are

SWINDLER IS GOING TO PRISON UNGUARDED

New York, July 17.—Unaccompanied by guards, Davis Essacon, convicted of swindling, leaves here today to serve a sentence of a year and a day in the Federal penitentiary at Atlanta. The experiment of allowing Essacon to go to prison unguarded is a new idea of the Federal authorities here.

Essacon is 60 years old and in feeble health. His bail bond does not expire until he delivers himself to the warden. He was head of the Kalos Manufacturing Company, and is said to have derived about \$500,000 from the sale of outfits for making medallions.

ARE FIGHTING CLOSE TO WARSAW

GERMANS ARE CLAIMING CONSIDERABLE SUCCESSES. THE TROOPS REPORTED TO BE FIGHTING VICTORIOUSLY.

COAL STRIKE ON

England Worried Over Condition of Affairs in Wales. French are Victorious in the West, Making Big Gains.

London, July 17.—The German campaign in the Russian Baltic provinces seems to be gaining force. Berlin today announced that the German troops had crossed the Windau, north of Koltvian in their eastward march.

Further Teutonic advances are reported in Poland, north of Warsaw. A German official statement according progress southeast of Koltvian and south of Przasnysz, fighting victoriously.

The latest Russian statement declared German attacks in that region were repulsed.

Coal Strike in Wales.

The South Wales coal strike continues to cause concern in Great Britain, the miners showing no sign of yielding. London advices indicate that hopes are held of a solution of the problem within a few days.

French Victorious.

Fighting in the Argonne region in France has turned in favor of the French, according to the Paris war office, which claims recapture of Hill 285, taken by the Germans early this week.

Germans Hammering On.

Once more the Germans are hammering heavily on the gates of Warsaw from the north and they claim considerable success there. Latest Russian reports, carrying accounts of the fighting in that region up to Wednesday make no direct mention of Przasnysz, capture of which was claimed in Thursday's Berlin official communication. In pulse of German attacks between the Orzyca and Wkra fronts "south of Przasnysz" however, are mentioned by Petrograd.

Active operations have been resumed by the Germans in Courland, Riga, where near the southern end of the long battle line in the east the Austrians have forced the passage of the Inster at several places.

Italians Still Gaining.

On the Austro-Italian front Rome reports that the Austrians have been forced out of positions in mountain regions where fighting still is in progress.

Further advances by the Entente allies on the Gallipoli peninsula are reported from Athens.

German Submarine Sunk.

The German submarine U-51, noted for its long voyage from German waters to Constantinople, is reported sunk in the Black Sea by Russian warships.
