Segm Revival Old People Need A Bowel Stimulant

Healthy old age to so absolutely dependent upon the condition of the bowels that great care abould be taken to see that they act regularly.
The fact is that as age advances the stomach muscles become weak and inactive and the liver does not stor up the jules that are necessary prompt digestion.

Some help can be obtained by eating easily digested foods and by plenty of exercise, but this latter in irksome to most elderly people. One thing is certain, that a reate of con-stipation should always be avoided. of it is dangerous to life and health. The best plan is to take a mild laxa-tive as often as is decimed necessary. But with equal certainty is is sug-gested that cathertics, purgatives, physics, calts and pills be avoided, as they do but imporary good and Abottle can be bought of an are so harsh as to be a shock to

as is possible. In fact, the tendency
of this remedy is to strengthen the
atomach and bowel muscles and so
train them to act naturally again,
when medicines of all kinds can
usually be dispensed with. This to

Doesn't Count We and Observer Rales That Ris outl's Run Doesn't Count and That Davenport Isn't En-titled to a Ris.

Considerable argument has be caused by a play which occurred in the accenth inning of yesterday's game. The pans will remember that Davenpore knocked a three-bagger and was called out for not touching Kinesid scored on the play.

Some of the fans said that the run should be counted; others that it should not; others that Reddy should be given credit for a thre-bagger and others that he should only be given a single.

In order to settle the dispute, the ditor last night wired the News and Observer about the play.
