CINCIBED CHAMPIONSHIP BY DEFEATING NORFOLK THIS MORNING.
PLAY ROCKY MT.

(By Eastern Press)
Rocky Mount, Sept. 6.—Portsmouth this morning clinched the championship for the second half of the season in the Virginia League by defeating Norfolk. Although Rocky Mount defeated the Orphans, she will be unable to lead in first place, even though she wins this afternoon's game and Portsmouth loses. This leaves Rocky Mount, who won the championship for the first half of the season, to fight it out with Portsmouth for the pennant.

This morning's scores were: Rocky Mount, 4; Orphans, 3. Portsmouth, 4; Norfolk, 0.
The standings of the two teams before today's games were:
Club W. L. P.C.
Portsmouth 40 24 .625
Rocky Mount 37 25 .597
Should Portsmouth have lost both of today's games and Rocky Mount won, the championship would have gone to the Tar Heels.

GLAD TO GET BACK

Maj. Gen. George W. Goethals, governor of the Canal zone, arrived in New York recently on board the S. S. Pastora. He said he would offer his resignation to take effect in November. Colonel Goethals is accompanied by his wife and son Thomas, and is here on a leave of absence to visit the Panama-Pacific exposition. The colonel expects to be put on the active army list, and if this is not possible, he will ask for his retirement with the rank of brigadier-general. He told newspaper men that he intended to visit the exposition as a private individual, and desired that no fuss be made about him by any of the officials. That Mrs. Goethals is anxious to leave the Canal zone permanently was shown by a remark she made shortly after the ship left quarantine and started for the pier: "I hope never to go back," she said.

Through their attorney they appealed to the Superior Court. About ten days ago police officers raided the store of Lamm & Eatman general merchants on South Tarboro street, and eleven quarts of whiskey were found.

The whiskey looked like "shine," which had been in various quart bottles here and there. The defendants denied ever selling any whiskey and said that when they bought the store a jug of whiskey was in it and that they poured it into these bottles.

Mr. W. A. Finch appeared for Lamm and Eatman, both of whom proved good characters, and the case will be heard fought in the Superior Court. Court convenes this week and the State is anxious to have the case disposed of finally then.

U. S. INFANTRY TO PURSUE MEXICANS

Washington, D. C., Sept. 6.—War department officials today said extraordinary vigilance had been ordered as a result of repeated raids in American territory by Mexican brigands and soldiers, and renewed reports of preparation for an organized invasion from across the Rio Grande in the states of Coahuila and Nuevo Leon.

As long as the raiders continue to appear only in small bands, it is understood some of them will be followed into their own territory but officials indicated tonight that the American commanders would not hesitate to pursue the enemy until they were completely routed should anything resembling an organized invasion of the United States be encountered.

Persistent reports that some of the Mexican raiders slain were Carranza uniforms have reached officials here. Rumors have come too, that there is a concerted move by Carranza leaders in Nuevo Leon and Coahuila to arouse Mexican sentiment against the Pan-American movement for reestablishment of constitutional government in the republic.
