Minister Gives Testimony.

The Rev. C. M. Knight, Havana, Fla., writes: "For three months I suffered intense pain in kidneys and back, which at times laid me up entirely. I read of Foley Kidney Pills and after trying various remedies without result I decided to try the Foley treatment. I was relieved almost with the first dose and it is a fact that I used only 1 1/2 bottles when all of the pains disappeared. I am 55 years of age and now feel like a young man again." stone bouquets with wreath of orange blossoms in hair and short veil at back and wearing a court train, carrying shower bouquet of fern, orange and white flowers, the court train and bottom of skirt were edged with pearls and with a touch of orange blossoms around the collar and sleeves. The veil was cap effect over the face, and held in place with a wreath of orange blossoms, fast to the hem of her train. Her bouquet was a shower bouquet of lilies of the valley and ferns tied with tulle. Around her neck was twined twice a long rope of pearls and a crescent of diamonds and pearls, the latter the gift of the groom, were her only ornaments. Rev. Lewis W. McFarland, her former pastor, officiated, using the Episcopal ceremony. As he pronounced them man and wife and the strains of "To a Wild Rose" by McDowell, died away, the Mendelssohn's wedding march, the bridal party left the church in reverse order.

Wedding Reception.  
Immediately following the cere-

mony, a reception was given at the home of the bride at North Main street.

The bride and groom left on the 10:45 train for Washington and Canada; the bride's going-away gown being blue broadcloth trimmed in black fur, picture hat of blue velvet trimmed in natural feather banding, a salmon pink dahlia on brim added a touch of color. A neck piece of the natural feather banding, combined with blue velvet and large flat pillow muff in match, black gloves and boots with piping of white, completed this smart costume.

It is with sincere regret that Miss Point gives up one of her fairest and most attractive daughters and the many friends in this city wish for Mr. and Mrs. Willis a long and happy life.

The gifts were numerous and handsome, among them being a chest of flat silver from the groom's family, a silver service from Ed and Bob Ragan, uncle of the bride, and a silver cream pitcher and sugar dish from the Delta Tau club, of which she was president.

# PAIGE

The Standard of Value and Quality

The Fairfield "Six-46"

## The Ideal Month for Motoring

THOUSANDS of Americans have reserved this gorgeous autumn season for their vacations. With their families they are touring in their Paiges. Scenery, weather, road conditions of the autumn make for the ideal family outing. Now is the time to tour.

What is more to the point, now is the time to buy your Paige Six—whether it be the seven-passenger "Six-46" at \$1295, or the five-passenger "Six-36" at \$1095.

Now, for the first time, we can deliver your Paige to you immediately. You can buy today and start your tour tomorrow. You can get the benefit of your motor car this year, this month—and, you know that in buying a Paige Six you are buying the very last word in motor car design and construction, in motoring elegance, luxury and service.

This is the reason for our Paige Jubilee.

We are celebrating the Paige entry into the six-cylinder field—one year ago—a year in which the Paige has again won unchallenged supremacy and unique prestige.

Still more important, we are celebrating the opening of the huge addition to the Paige factory. That means doubled Paige production. That means more cars for us. That means that the Paige—the most popular and best-selling of all "Sixes"—can be delivered to you immediately. And, still more remarkable, the Paige, the most in demand, is because of this vastly increased production, the most quickly delivered of the leading "Sixes."

We urge you to come to our Jubilee.

We want you to see and ride in the improved seven-passenger Fairfield "Six-46" at \$1295. You will see that we have added Quality and Value to Quality and Value that were already unique and supreme in the motor car industry. We want you to see the smartness and elegance and beauty of the Paige Hollywood "Six-36"—at \$1095.

We want you to be our guest and see for yourself the obvious reasons for Paige Leadership.
