EDWARD NOTES.

JUDGE A MODEL MAN.

Eighty-four and Promised Lincoln Not to Smoke, Chew, Drink or Lie.

Chester, Pa.—Federal Judge Simeon Woodrow King of Chicago, who paid a visit to relatives in this city, is a remarkable man. He is in his eighty-fourth year and has never been sick a day in his life.

He was appointed judge for the United States court for the northern district of Illinois when he was twenty-one years and six months of age by President Abraham Lincoln and has been sitting as a jurist all that long period.

"I have kept the promise I made to Abraham Lincoln," Judge King says, "and that promise was that I would never smoke or chew tobacco, never touch liquor and never tell an untruth."

Fifty Years Near Father: Didn't Know. Columbus, Ind.—Mrs. Margaret Jane Caters, eighty, of near Newbern, has just learned that she is a daughter of Drewery A. Masser, 108 years old, who recently died in Itash county, and that she lived within fifty miles of him for half a century without knowing his whereabouts.

ROOSTER KILLS CHILD.

Fowl Attacked Los Angeles Lad, Who Was Feeding Chickens.

Los Angeles, Cal.—John M. Seaman, two-year-old son of Mr. and Mrs. Harry Seaman of this city, is dead at Ontario following an attack by a large rooster at the ranch home of the child's grandparents, Mr. and Mrs. V. Lawrence of that city.

John and his mother visited at the ranch. The chickens were a novelty to the boy, and he was anxious to feed them. With prodigious bravery that was thought only childishly cute he accomplished his desire. A few days ago he was so engaged when a large rooster jumped at the little fellow and buried its spurs deeply in his scalp.

Blood poisoning developed, and the child died in a hospital after much suffering.

"MISTAKE" MADE \$2,500.

War Brings Profits to Gomer, Who Ordered Too Much Chloride.

Parsous, Kan.—Anton Gomer, a dry cleaner, through a mistake ordered 100 instead of ten gallons of carbon tetrachloride to be used in his cleaning process last February, paying \$1.20 a gallon.

He attempted to persuade the drug company to take back the ninety gallons, but it refused, and he figured he had lost over a hundred dollars in the transaction.

The war in the meantime caused the price of the chemical to soar, and recently the chemical company of whom he bought the order paid him \$30.15 a gallon for the ninety gallons it refused almost a year ago. Gomer netted a profit of more than \$2,500.

How did Scadders announce his candidacy for office?
"He told his wife and then asked her not to tell a single soul."—Kansas City Star.

Mother—Willie! What are you doing to your little brother?
"Willie—Nothin'. He drank my glass of milk an' I'm goin' to make him pour it back."—St. Louis Post-Dispatch

Brown—So you took Jake's check for \$50? Can it, by any possibility, be good?
Jones—Listen! When Jake bursts into tears while signing a check it's good.—Exchange.

Pat—Do you remember borryin' a dollar av me, Kelly?
Kelly—Oh do not! I always forget everything over 50 cents.—Washington Star.

Bunker—Have you ever seen a ghost?
Foose—Well, no; but I have met lots of people who know people who have heard of people who have.—Boston Globe.

That's a good idea, ma'am, havin' soda and water in them bottles with the squirrels. I've done the floor in no time, and there's three bottles left out of the dozen yet.—Philadelphia Evening Ledger.

RESOLUTIONS OF RESPECT.

At noon, December 7, 1915, the noonday hour of prayer of the Woman's Christian Temperance Union, the gentle spirit of our beloved sister and co-worker, Mrs. T. F. Smith, was suddenly called to her reward.

She was a charter member of the Woman's Christian Temperance Union of Washington, N. C., and ever since its organization has been faithful and true to all its interests. Though not able to attend the meetings for some time, she was always ready to assist, and was responsive to every call. I sincerely hope she was a zealous worker in all her societies, was charitable and freely gave for the support and help of each. Many in need did she relieve when told of their distress.

Be it Resolved, first, that in her death we have lost one of our most faithful members. She was deeply interested in the work of the Union and was always willing and ready to help the cause, but while sorely missed she leaves the rich heritage of a loyal life.

Second, that with humble submission we bow to our Heavenly Father's will, knowing our loss is her gain.

Third, that we extend to the bereaved husband, and other members of the family our deep and sincere sympathy and commend them to our loving Father's care who alone can comfort in every sorrow.

Fourth, that a copy of these resolutions be spread upon the minutes of our Union, a copy sent to the bereaved husband and family and that they be published in the Washington Daily News and the North Carolina White Ribbon of Greensboro, N. C.

SALTS FINE FOR ACHING KIDNEYS

We eat too much meat, which clogs kidneys, then back hurts and bladder bothers you.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally; else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then get done. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulates them to normal activity. It also neutralizes the acids in the urine so it is no longer irritating, thus ending bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in preventing kidney trouble while it is only trouble.
