Great Opportunity for Consumer

As a Result of Co-Operative Plan Being Worked Out on a Large Scale By Washington Merchants

Sometimes real opportunities come the way of the ultimate consumer, and one of these times for the people of this section of the State will be during The Daily News' Big Co-Operative Fare Refunding Sale, when the merchants of Washington will offer special bargains in every line of merchandise.

By the plan as formerly announced in The Daily News more than a score of the leading merchants of the city are offering special inducements in the way of goods and prices to the buying public. It has, of course, created more or less competition among the merchants, but this is all the better for those who have to buy, as it will mean genuine bargains in every line of merchandise. Prices in many instances are much lower than have ever been made anywhere on standard brands of staple and reasonable merchandise.

Besides the special bargains to be offered by the merchants, railroad fares will be refunded to all out-of-town customers during this big Co-Operative Sale. Under the plan, shoppers may distribute their patronage among as many stores as they desire, and then coming to The Daily News office, will be presented with the cash total of their fare from their home to Washington and return. The only condition to receiving the return of the railroad fare is that the aggregate purchases reach a certain total, which will of course vary according to the number of miles traveled.

The big sale is an innovation for the City of Washington. It is promoted and arranged by The Daily News in order to advertise Washington as the best trading point in this section of the South.

Fare Refund Slips will be furnished all merchants who have agreed to pay their share of the fares of out-of-town customers during this sale, and in order to have your fare refunded you should obtain one of these slips of the first merchant from whom you make a purchase. The slip will contain a list of all the merchants who are participating in the big sale, with blank space for each to put down the amount of your purchase. This slip is retained by you and afterwards presented at each store at which you buy anything during the day and then before you leave for home the slip is taken to The Daily News office, where your fare will be refunded in cash, providing your purchases during the day amount to the sum required according to the above schedule. By this method it will be readily seen that you will not have to buy everything from one store, but on the contrary you can patronize as many different stores as you like, and if your purchases amount to the required sum your fare will be refunded by presenting the slip at The Daily News office any time before leaving for home.

Come by Auto, Team or Train

Fares will be refunded to all persons who come from a distance equal to any of the towns in the above schedule whether by auto, team or rail. This will include farmers as well as persons living in towns. The price of a railroad ticket to and from any of these places will be refunded to all persons, whether farmers or townspeople, who drive to Washington during this big sale just as though they came on the railroad. For instance, a person residing in Zebulon, or a farmer living nearer that place than any other town from which fares are to be refunded, who drives to Washington to trade during this sale, will get the price of a railroad ticket, providing his purchases amount to the required sum.

Amounts equivalent to railroad fares, according to the distance, will also be refunded to all persons coming from or near any inland town, the same as if located on the railroads. Come by auto, team or rail and get your fare back or an amount equal to it. Read the schedule carefully and don't forget to ask the first merchant from whom you make a purchase for a refund slip so you can keep account of your purchases.
