CONTINUE HUNT FOR CHILD WITH TRIBE OF GYPSIES

NEW BERN OFFICERS ASSERT
THAT BOY IS JIMMIE GLASS.
MISSING SINCE LAST MAY.

HUNT AT PARMELE

Sheriff of Martin County Searched
the Camp at Parmele Yesterday
But Was Unable to Find Any Child
Who Answered the Description.

Chief of Police Roberts yesterday
received an inquiry from the chief
of police at New Bern regarding the
whereabouts of the gypsy band that
was in this section. Mr. Roberts
sent word back that the tribe had
left here and was at present located
near Parmele. The sheriff of Mar-
tin county was communicated with
and asked to visit the band and see
whether he could find a white child.
He did so, but, according to Mr.
Roberts this morning, was unable to
find any child that answered the de-
scription furnished by the New Bern
police.

It is still evidently thought that
the child with the gypsies is Jimmie
Glass, who was stolen from the home
of his parents in Pennsylvania about
a year ago. Several local ladies
claim that they saw the child when
the gypsies were here and that there
is no question about its being of
white parentage. On the other hand,
Chief of Police Roberts, Sheriff
Windley and Mayor Kugler went out
to the camp while the gypsies were
here, but were unable to locate the
boy. As far as can be learned, no
other police official has ever seen the
child.

A WONDERFUL TRIP

"Never again!" says J. W. Oden.
"Ditto!" declares Tom Killingsworth.

"Same here!" asserts R. L. Stew-
art.
"*****" says J. S. Camp-
bell.

The four took a trip down around
Bath yesterday to inspect the drain-
age work that is going on. They made
the journey in Mr. Campbell's E. M.
F. car, which, it is claimed, was used
by Noah in carrying passengers on
board the Ark. The trip was fairly
enjoyable but the car—!!!

Auto experts assert that there are
265 things that can happen to an
automobile in the way of break-
downs. The E. M. F. went through
the entire list yesterday and, for
fear that it might have skipped
some, repeated several. Mr. Camp-
bell's three guests are uncertain
whether they carried the car down to
Bath or whether it carried them.
When it wasn't engine trouble, it
was tire trouble and when it wasn't
tire trouble, parts of the body would
fall off. When everything else had
happened, the back seat fell through.
"It was wonderful!" says Mr.
Oden.

"Positively astonishing!" declares
Mr. Killingsworth.
"Miraculous!" asserts Mr. Stew-
art.

"*~*~*" says Mr. Campbell.

LOCAL FUND FOR BELGIANS NOW WELL OVER \$30

Contributions Are Coming In. Fund
Will Be Open Until Monday
Night.

Much interest is being shown in
the Belgian Relief Fund and gifts
are coming in at a rate that bids fair
to run the amount of Washington's
contribution to \$100 before the fund
is closed. The committee have set
that as their goal for Monday night
and it is expected that many gifts
will come in this afternoon and
Monday. Those who intend to give
are asked to send the money to J.
G. Bragaw, Jr., by Monday, if pos-
sible, or phone him that he may send
it. Any sum, no matter how small,
whether large or small, and none
need be kept from giving by the
feeling that they cannot contribute
in a large way. In times of distress
such as the Belgian people are en-
during a dime, even, may mean the
saving of a life from starvation.

The present standing of the fund
is as follows:
Previously reported \$23.00
Mrs. P. W. F. Randolph 1.00
Mrs. J. C. Rodman 1.00
O. M. Winfield 2.00
Rev. H. B. Searight50
Miss Lillian Campbell 1.00
Miss Temple Thorne 1.00
Mrs. Lucy W. Myers 1.00

W. B. WINDLEY A CANDIDATE FOR SHERIFF

To My Friends and Fellow Citizens
of Beaufort County:

The question is asked me every
day if I am to be a candidate for re-
election for Sheriff of your county
and I will say that I am a candidate
for the Sheriff's office again for four
reasons.

First: I am entitled to it for this
reason: Never before since the for-
mation of Beaufort county has the
Sheriff only served one term, unless
he was impeached. Sheriff Hodges
was Sheriff for 22 years and Sheriff
Ricks for eight years and filled one
year unexpired term of Sheriff
Hodges and I am as good a Demo-
crat as either of the two mentioned
names, who were both men of the
highest type of citizenship.

Second: I have three political en-
emies in the city of Washington who
are against me now, and were when
I was Recorder and they will con-
tinue to be against me as long as I
am in office, because they cannot rule
me as they wish to.

Third: I am in hopes the next
Legislature will settle the Sheriff's
salary and fee bill so I, or the next
Sheriff, will know what salary he is
drawing.

Fourth: I have been in office long
enough to learn to take advantage
of my work, both for myself and
county. I saved the county of Beau-
fort \$350.00 the other day by know-
ing how to do my work. I have re-
ference to my requisition papers
when I went to Chicago a few days
ago.

I ask all of my friends to rally to
me for one more term which I am
entitled to, honestly and politically.
Respectfully,
W. B. WINDLEY, Sheriff.

COULD MOBILIZE SECD. REGIMENT IN TEN HOURS

COL. RODMAN STATES TROOPS
COULD BE GOTTEN AT MORE-
HEAD IN THAT TIME.

ALL EQUIPPED

Will Leave for Washington City To-
morrow. Senate to Take Up
Militia Pay Bill Monday. Prospects
of Its Passing Considered Good.

That the second regiment could
mobilize at Morehead City within
ten hours after the order was given,
was the statement made this morn-
ing by Col. W. C. Rodman.

The force, according to the col-
onel, would consist of about 800
men. All of them would have the
proper equipment and would be
ready for service.

When asked if there was any
likelihood of the regiment being
called out to do service in Mexico,
the colonel laughed and answered
that he could not say. He stated,
however, that if the men were called
upon, he felt sure they would uphold
the reputation of the State.
Colonel Rodman will leave tomor-
row for Washington City. Many
other prominent men in military
circles will be at the capital on Mon-
day in order to see what disposition
the Senate makes of the militia pay
bill. It is believed that the present
situation in Mexico has greatly in-
creased the chances of the bill's go-
ing through Congress.

NEW CLUB FORMED

E. M. R. A. Is Composed of Young
Men Who Either Love Exercise
or Are Just Plain "Nuts."

"The E. M. R. A." is the newest
organization to be formed in Wash-
ington, and since its organization has
gained steadily in popularity and
membership.

E. M. R. A. stands for "Early
Morning Running Association." It
is composed of about ten young men,
who are either desirous of keeping
themselves in good physical condi-
tion or else are just plain "nuts."
Opinions have been expressed on both
sides. At any rate, they have been
getting up at six o'clock in the
morning and running down to
Washington Park and back again.

The meeting place of the Associa-
tion is at the corner of Main and
Harvey streets at ten minutes past
six. New members are invited to be
present at this place at the above
time. The club meets every morning
a the week, excepting Sundays.

RUNAWAYS CAUGHT

Two Young Boys Were on Their
Way to Atlanta. Taken Off
Train at Wilson.

LeMond Dickerson and Josh Lan-
er, two young local boys, aged about
16 years, and on their way to
Atlanta, were taken off the train
this morning and were
sent back to Washington.

The two boys left the city this
morning on the Norfolk Southern.
They intended going to Atlanta, Ga.
When they were missed, the local
police officials were communicated
with. They wired the police at Wil-
son and had the boys taken off the
train.

SHOW WAS ONE OF THE BEST HERE THIS YEAR

Billy Clifford's musical
put on an exceptionally good bill last
night. His comedy was excellent
and the music was especially good.
The play was declared by many of
those present as being the best that
has been in Washington this season.
It is to be regretted that the com-
pany could remain here for only one
night.

SHOULD SURVEY ROAD WRITES JOHN H. SMALL

Believes the Funds Can Be Raised
if Work is Conducted in the
Proper Manner

DRS. HILL COUSINS TO DR. J. C. RODMAN

Additional Information Given Out
Regarding Connections of Prom-
inent Alabama Doctors.

(Contributed)

Drs. Luther Hill and Somerville
Hill, of Montgomery, Alabama, men-
tioned in yesterday's Daily News as
munificent benefactors by the gift of
their handsome private sanatorium
to that city, are first cousins of Dr.
John C. Rodman, their mothers be-
ing sisters, the daughters of the late
Wiley Jones Croom of Alabama.

Dr. Luther Hill visited the family
of Dr. Rodman when a young man,
since that time he has made a state
and nation wide reputation as a sur-
geon of distinguished ability. The
father of Drs. Hill—Rev. Luther Hill
—was a Methodist minister for many
years. The writer of this, a frequent
guest at his home, has heard him
speak pleasantly of his relative, the
late Mrs. Gregory, mother of those
well remembered matrons of the
past, Mrs. Havens, Mrs. Deborah
Warren, and Martha and Lizzie
Brown.

MR. FULLER IS BROKE

Arrived Here Last Night from Flor-
ida. Financial Assets Are on
the Blank.

Mr. and Mrs. C. H. Fuller and
Mr. and Mrs. J. H. Blake, of Prov-
idence, R. I., who have been spend-
ing the winter months in Florida,
arrived in the city this morning.
They will spend several days here be-
fore proceeding north.

Mr. Fuller, when seen this morn-
ing, confessed that he was in a rather
embarrassing position. Upon being
pressed to give further details, he
whispered in the reporter's ear that
he was "broke."

"When you write it up," he ad-
ded, "don't say I'm just 'badly bent.'"
Make it stronger than that. Say
I'm broke and put the 'broke' in
captitals."

MR. FULLER IS BROKE.

Just exactly what Mr. Fuller in-
tends doing is not known. However,
he is still a young man and there
are several lines of business open to
him.

Mr. Blake, according to Mr. Ful-
ler, is still solvent.

EMPLOY ENGINEER

Mr. Small States That Main Point in
the Project Is That Plans Should
Be Prepared by Competent En-
gineer and Work Conducted by Him.

House of Representatives U. S.
Washington, D. C.
March 17, 1916

Editor, Daily News:

Of course I endeavor to keep in
touch with the activities of the home
folks, and I have been impressed
with the proposition to re-construct
that part of the highway leading
from the South terminus of the
county bridge to Red Hill. The sug-
gestion, as I recall, is to secure sub-
scriptions from one hundred citizens
of \$100 each, making an aggregate
sum of \$10,000. This I believe can
be accomplished, provided the sub-
scribers understand that the money
is to be expended wisely, with an
assurance of good results. If the
money which has been expended on
this section of highways for the last
twenty years, both by the county
and individual contributions, had
been wisely expended, we would have
a more substantial road. As a pri-
mary condition, may I suggest the
necessity of employing first a com-
petent road engineer under the gen-
eral supervision of Mr. Falls to
make a careful examination and sur-
vey, accompanied by detailed plans
with estimates of cost, which should
include specifications as to the ma-
terial to be used. In the absence of
this preliminary work no one can
know with definiteness the amount
of money to be raised. Mr. R. E.
Snowden has an excellent reputation
as road engineer, and I believe Mr.
Falls would commend him for this
work. I will be glad to be one of
one hundred citizens to subscribe
\$100, or even an additional propor-
tion if this amount will not be suf-
ficient. The money should be in
hand before the work begins so that
it may be prosecuted vigorously and
continuously. I think two features
in this construction are apparent.
The roadway must be built suffi-
ciently high so as to be above any possible
flood tide, and there must be suf-
ficient culverts both in size and num-
ber to accommodate the water flow-
ing from one side to the other.

Washington alone could afford to
construct this road, although I doubt
if generous citizens will be found
in Chocomaity and other sections of
the county who will contribute.

The main point is that plans
should be prepared by a competent
engineer and the work of construc-
tion should be prosecuted under his
supervision, and who should be held
responsible for results. In this way
a permanent roadway can be built
which will only require the usual
maintenance.

Very truly yours,
JOHN H. SMALL
