> A MISSOURT MERCHANT Of course, he wanted to be

nworfa So he made an investigation in his own store as to the ef-fects of different kinds of manufacturers advertising

He reached the conclusion that the only kind that was felt at his counter was news-paper advertising.

He decided that newspaper advertising was the only form he cared to put his business energy behind.

This Missouri merchant's fetter is on file with the Bureau of Advertising, American Newspaper Publishers Association. World Building, New York.

Perhaps some manufacturer would like to see a copy? Sent nn request.
