Boost For Washington BY DOING YOUR SHOPPING WITH LOCAL MERCHANTS

This is a summons in which every man, woman and child in this
community should be interested. It is a call for CO-OPERATION
—an appeal to our COMMUNITY SPIRIT—a plea for us "to pull
together." Each week we will show in cartoon and tell in story the
needs of our community—what is holding it back—the things we
must overcome to progress and how this can be accomplished by
CO-OPERATION. We will "Knock the Knocker" and "Boost the
Booster." We may hit some of you pretty hard—the truth always
hurts—but it's our most powerful ally for advancement. If you
are interested in the progress and future of our home town you
can help by reading these editorials and these advertisements each week
—and co-operating with us in making this a BIGGER—BETTER—
HAPPIER—MORE PROSPEROUS COMMUNITY.

GOOD-BY, DOLLAR.

EVERY dollar you send out of town flies away with a value that
rightfully belongs to your community. Spend it at home, with your
home merchants, where its value stays with you and helps to build
up your interests. When you come to think of it, there are only two
kinds of dollars—the "Dollar with Wings" and the "Development
Dollar." The "Dollar with Wings" goes to build up the Far Dis-
tant City, the Big Metropolis, with its vice and crime and low wages
and poverty. The "Development Dollar" goes to build up the Home
Town. It helps build up a nation of real men and women. Then,
let us make the dollars we spend "Development Dollars," home-town
builders, building for us and our neighbors and our children, making
our community more prosperous, more happy, more contented.

You can't send your face to a mail order house and have

Better let us take that picture of you now, before you forget
