WASHINGTON, NORTH CAROLINA, MAY 25, 1916.

Get out the rake, the shovel and the broom and prepare to join the Clean Up Brigade next week.

An Oklahoma man recently threatened to show anyone who boomed him for political office. How sweet a remark of that kind would sound from the Hon. Teddy.

Among other things New Bern has, is a crowd of sport lovers second to none in any town in the State.—New Bern Sun-Journal.

By the way, what has become of the checker-playing cops of Belhaven? We haven't heard anything from them in a long time.

THE LIBRARY QUESTION.

If Rocky Mount knows what is best for every interest of the city, we shall keep at the job of securing a public library for this city until we get one.

There are three cities in this section of the State that are endeavoring to secure public libraries: Greenville, Rocky Mount and Washington.

Whether we are going to let these two other cities go ahead and secure their libraries and take ours out in wishing, remains for the citizens to decide.

SENDING GOODS OUT ON APPROVAL.

When one takes into consideration the inconvenience, delay and worry that a merchant has to go through in sending goods out "on approval," it is strange that this practice has not been stopped long ago.

Merchandise that is sent out, subject to the approval of the customer, is often soiled, torn or damaged in other ways.

And all this is done at a LOSS to the merchant. Only a small percentage of the goods sent out on approval are retained by the customers.

Imagine a woman going into a butcher shop and asking the butcher to send home a steak "on approval."

It is a custom that is about played out. If the merchants cannot refuse a customer the request, the customer should feel some sense of shame in making it.

OPPOSITION TO THE ROAD WORK.

A strong protest against the proposed expenditure of the county's funds for improving the Red Hill road was recently made in a letter—which was published in the Daily News—written by three men who compose the road commission of Bath township.

It was first thought, when this project was started, that there would be no opposition to the work from any part of the county. Then, along came the above-mentioned letter, and our thoughts received somewhat of a shock.

It is evident from this that the protest, voiced by the Bath township commissioners, does not express the views of the citizens as a whole. It is another case of where two or three men attempt to block the wheels of progress and advancement.

We are glad that the opposition has come up, for it tends to bring those who favor good roads closer together and make them work more zealously and with more co-operation in bringing about the results they desire to achieve.

CLUBWOMEN LEARN TO MAKE CITIES MORE BEAUTIFUL

(By United Press) New York, May 25.—Twenty thousand leading American clubwomen at the Federation's national convention here today are learning how to make our ugly cities handsome.

This is part of the art program of the convention, at which the report of the art chairman will be given before the convention, followed by an address on "Community Art," by William Dudley Foulke, of Indiana, president of the National Municipal League from 1911 to 1915.

Get Busy. If you are going to save up for a rainy day don't wait until the clouds begin to gather.—Detroit Journal

What She Thought. "You say," said the lawyer, "you heard this man break into your house in the dead of night, and yet you made no effort to call for help." "That is so." "Were you too frightened to call out?" "No, I was not disturbed a particle. He bumped into the rocker of a chair and swore, so I thought it was my husband."—Detroit Free Press.

TELLS WHAT SHE THINKS. Anna Hawn, Cedar Grove, Mo., writes: "We think Foley Cathartic Tablets are the best liver pill we ever got hold of, as they do not nauseate or gripe, but act freely on the liver. Any one in need of a liver pill, if he once tries them, would not be without them."

FOR SHERIFF

To My Friends and Fellow Citizens of Beaufort County: The question is asked me every day if I am to be a candidate for reelection for Sheriff of your county and I will say that I am a candidate for the Sheriff's office again for four reasons.

First: I am entitled to it for this reason: Never before since the formation of Beaufort county has the Sheriff only served one term, unless he was impeached. Sheriff Hodges was Sheriff for 22 years and Sheriff Richa for eight years and filled one year unexpired term of Sheriff Hodges and I am as good a Democrat as either of the two mentioned names, who were both men of the highest type of citizenship.

Second: I have three political enemies in the city of Washington who are against me now, and were when I was Recorder and they will continue to be against me as long as I am in office, because they cannot rule me as they wish to.

Third: I am in hopes the next Legislature will settle the sheriff's salary and fee bill so I, or the next sheriff will know what salary he is drawing.

Fourth: I have been in office long enough to learn to take advantage of my work, both for myself and county. I saved the county of Beaufort \$350.00 the other day by knowing how to do my work. I have reference to my requisition papers when I went to Chicago a few days ago.

I ask all of my friends to rally to me for one more term which I am entitled to honestly and politically. Respectfully, W. B. WINDLEY, Sheriff. 5-18 to 6-2c.

ANNOUNCEMENT.

I hereby announce myself as a candidate for renomination for the office of Register of Deeds of Beaufort County. In doing this I wish to thank my friends for the hearty support they have given me in the past, and ask that you turn out on June 3rd and support me at the primaries. I hereby pledge myself to give you the same brand of service in the future that I have always given in the past. Respectfully, GILBERT RUMLEY. 6-1 to 6-3c.

ANNOUNCEMENT.

I hereby announce myself a candidate for renomination for the office of Recorder for Washington, Long Acre and Chocowinity Townships, subject to the action of the Democratic Primary to be held on June 3, 1916.

If renominated and elected I will endeavor to administer the office with the same degree of fairness and impartiality which have tried to follow in the past. Respectfully, W. L. VAUGHAN. 5-6 to 6-3.

FOR REPRESENTATIVE.

To the Democratic Voters of Beaufort County: I hereby announce myself a candidate for Representative for Beaufort County in the next General Assembly subject to the action of the Democratic primaries.

If nominated and elected I shall endeavor to merit the confidence thus reposed in me. Respectfully, P. H. JOHNSON, Pantego, N. C. 4-5-16

ANNOUNCEMENT.

I hereby announce myself a candidate for renomination for the office of Clerk of the Recorder's Court for Washington, Long Acre and Chocowinity townships, and ask all of the Democratic voters to come out on June 3rd and give me their support. Respectfully, ELBERT G. WESTON. 5-10
