JAMES L. MAYO.....PROPRIETOR CARL GOERCH.....EDITOR

WASHINGTON, NORTH CAROLINA, MAY 29, 1916.

Hurry up and pay your poll tax unless you want to pay double tax and times as dull as they are.

"And Washington is going to have a Clean-Up Week. Well, Well, Well."—News and Observer. Well, what about it. Surely our friend Britton has no serious objection.

With Greenville, our "old-time" rivals, here tomorrow and the strong Plymouth team on the ground Thursday, things should be lively in baseballdom this week.

Washington again on yesterday demonstrated the fact that she is an entertainer of entertainers. The Men's Bible Class of Ayden, sixty-five strong, were guests of the Baraca Class of the First Methodist Church. The visitors enjoyed the day immensely as we knew they would, coming to Washington, the Best Place on Earth in which to sojourn.

According to the Greensboro Daily News, the nominating speeches at Chicago will be limited to ten minutes each. At that rate, says the News, they ought to get the favorite sons all presented in a couple of days. Perhaps the would-be orators will so arrange things as to have clocks and watches eliminated from the hall, for when a fellow has prepared his "little say" you can depend upon it its got to come out. At Chicago the G. O. P.'s will not allow an exception.

COMMON SENSE, WE THINK.

Says an exchange: It is said that the production of whiskey in the United States increased ten million gallons last year, despite the spread of prohibition. If these figures mean what the distillers claim they do mean, the wonder is that the distillers do not bend their efforts in making the whole country "dry."

This is the common sense view to take of it.

HATES TO TALK.

The Colonel states that he has been very reluctant to make speeches just before the national conventions. The Colonel also states that this is the third great crisis in our national life. The first he says was in 1776, the second the Civil war. Just what the crisis of today is he does not state. Changing his words just a bit, we presume that the fourth calamity to face this country of ours will be his failure to get the Republican nomination at Chicago. This would be more than a "crisis" to him.

RIGHT, BROTHER.

If the United States should get in too big a hurry to make peace in Europe, it might all have to be done over again within the next few years. So it might be better in the long run to let them fight along until all are fully satisfied and perfectly willing to quit. There is a strong suspicion that some of them might like to let loose just at this time in order to spit in their hands and get a better hold for a bigger and final struggle a few years hence. While the present carnage is awful to contemplate, it might be even worse when the struggle is renewed.

We have been thinking along the same line quite awhile. They started the row over there among themselves and now we for one say let them fight it out for in the end the whole world might be better off.

THE ELKS.

The Elks have held their annual meeting and Washington treated them as an Elk should be treated—in a most royal manner. Raleigh will entertain them next year. The Lodge of Elks is one of the best of the secret orders. It is composed of men of the world who feel for their brothers—men of the world who understand that human nature is weak and prone to err—men of that great Brotherhood of Man which makes the music of the world. There are thousands of Elks in this sad world who never wore an antler and who never "jined." Men are born Elks—some men are—and no initiation is necessary.—Greensboro Everything.

We are now more convinced than ever that the "quill driver" on Everything is a level-headed fellow and we think the readers of this paper will acquiesce upon perusing the above. Not only are the Elks treated royally in Washington but everyone else who chances to come this way. We are grateful to Everything and its versatile editor for the kind words. We hope we can always merit them and if trying will do the trick we are on our job from now on.

WANTED HIS BABY REGISTERED.

"I want to know if my baby has a birth certificate in this office, and if he has I'd like to see it," said a caller at the State Board of Health offices recently. It developed that the man was in doubt as to the physician's having sent the baby's correct name, and he considered it worth his time and the necessary expense to investigate the matter. He said: "I don't want my boy handicapped when he becomes of age, because his birth was not registered. I wanted to make sure that the doctor had not neglected it, for I believe in twenty years a birth certificate will be necessary for most everything you do."

That people are paying more attention to the registering of births and deaths is encouraging, as it means more accurate and valuable vital statistics and more reliable facts upon which to do health work.

"Then there are the advantages that come directly to the people themselves, says the State Board of Health. "Recently, an instance came to light in which a physician's failure to report a birth cost a little girl a legacy of \$12,000. In another case a mother was unable to produce the child's birth certificate. Americans have lost inheritances and large fortunes because of no birth certificates to identify them as heirs. In fact, we believe the man was not far wrong when he said that in twenty years a birth certificate would be necessary for most everything you want to do."

Moral: Don't fail to register the baby. A stitch in time saves nine.

THE DEMOCRATIC PRIMARY

No Place for Republicans Nor Those Who Wish a Change in County Administration.

All persons are urged to keep away from the Democratic primary June 3rd, if you are in favor of electing the Republican nominee this fall. This primary is a Democratic fight for nomination to office and is no place for persons who expect to vote for the Republican nominee this fall. Stay away from the primary. You do not have to vote in the primary in order to vote this fall as it has been stated by Democratic Registrars. This is a dishonest method to deceive the honest voter. The Republicans will nominate a full county ticket in open convention to be held in Washington, N. C., in June. (Date of convention will be given soon.) All voters who expect to support the Republican ticket are cordially invited to attend this convention. HUGH PAUL, Ch'n, Rep. Co. Ex. Com.

1916 CROP OF SEA LIONS NOW READY FOR SEA

(By United Press) Annapolis, Md., May 29.—June week at Uncle Sam's Naval Academy began today. The receptions, drills and dances—three days ahead of June itself and two days behind the informal opening Saturday, when army and navy nines met in their annual baseball game, marks the introduction to the practical work of a day world of Uncle Sam's 1916 class of future naval commanders.

Exercises in honor of the graduating class that will go forth from the Academy as ensigns, started this morning with a reception to the board of visitors and a regimental infantry drill. This afternoon there is an inspection and a dress parade by the midshipmen and the award of annual prizes. This evening there will be an informal hop for graduates and a masqueraders' performance for underclassmen. A general reception will be given at the superintendent's headquarters.

Tomorrow night there will be a big masqueraders' performance. Wednesday's program commences early with a competitive drill. A meeting of the board of visitors, seamanship drills—with boats under steam, oars and sails—a dress parade and a garden party for members of graduating class and their friends fill the day and evening. The drills will reach their climax Thursday, when there will be a competitive infantry drill, a torpedo and gun drill, practical engineering and exercises, a dress parade and the presentation of colors.

Sandwiched with these is a meeting of the board. At night, there is an alumni dinner and the usual dances—this time an informal hop to underclassmen and the first class German. Friday the program will be closed. In the morning the graduation exercises will be held. At night, in a big farewell ball, Annapolis will say goodbye to the new ensigns.

DANGERS OF DRAFT

Drafts feel best when we are hot and perspiring, just when they are most dangerous and the result is Neuralgia, Stiff Neck, Sore Muscles or sometimes an attack of Rheumatism. In such cases apply Sloan's Liniment. It stimulates circulation to the sore and painful part. The blood flows freely and in a short time the stiffness and pain leaves. Those suffering from Neuralgia or Neuralgic Headache will find one or two applications of Sloan's Liniment will give grateful relief. The agonizing pain gives way to a tingling sensation of comfort and warmth and quiet rest and sleep is possible. Good for Neuritis too. Price 25c at your Druggist.

CLEAN-UP WEEK

During next week I earnestly request every citizen of Washington to make an effort to clean up their premises and property—front and back yards—to abolish all places that might breed flies and mosquitoes and to clean all vacant lots of weeds. Citizens should put their rubbish in some kind of receptacle—boxes, cans or bags, and not on the street and sidewalk when it can be avoided.

The city carts will collect all rubbish and if same is not removed promptly, the city hall should be telephoned so that it can be immediately attended to. If the refuse is placed in such manner so that it can be easily loaded and carted away, Washington will be easily cleaned.

No city can be attractive if it is dirty and strewn with litter. All should be willing to co-operate in cleaning up not only their own premises, but in helping others where it is convenient and necessary to do so.

E. T. STEWART, Mayor. 5-23-16.

FOR SHERIFF

To My Friends and Fellow Citizens of Beaufort County:

The question is asked 'me every day if I am to be a candidate for reelection for Sheriff of your county and I will say that I am a candidate for the Sheriff's office again for four reasons.

First: I am entitled to it for this reason: Never before since the formation of Beaufort county has the Sheriff only served one term, unless he was impeached. Sheriff Hodges was sheriff for 22 years and Sheriff Hicks for eight years and filled one year unexpired term of Sheriff Hodges and I am as good a Democrat as either of the two mentioned names, who were both men of the highest type of citizenship.

Second:—I have three political enemies in the city of Washington who are against me now, and were when I was Recorder and they will continue to be against me as long as I am in office, because they cannot rule me as they wish to.

Third: I am in hopes the next Legislature will settle the sheriff's salary and fee bill so I, or the next sheriff will know what salary he is drawing.

Fourth: I have been in office long enough to learn to take advantage of my work, both for myself and county. I saved the county of Beaufort \$350.00 the other day by knowing how to do my work. I have reference to my requisition papers when I went to Chicago a few days ago.

I ask all of my friends to rally to me for one more term which I am entitled to honestly and politically. Respectfully, W. B. WINDLEY, Sheriff. 5-18 to 6-2c.

ANNOUNCEMENT.

I hereby announce myself as a candidate for renomination for the office of Register of Deeds of Beaufort County. In doing this I wish to thank my friends for the hearty support they have given me in the past, and ask that you turn out on June 3rd and support me at the primaries. I hereby pledge myself to give you the same brand of service in the future that I have always given in the past. Respectfully, GILBERT RUMBLEY. 5-1 to 6-3-c.

For County Commissioners.

To the Democratic Voters of Beaufort County:

We hereby announce our candidacy for re-nomination as members of the Board of County Commissioners. If nominated and elected we will endeavor to economically administer the affairs of the county, as we have tried to do in the past. Respectfully, W. E. SWINDELL, H. C. BRAGAW, W. S. D. EBORN, C. P. AYCOCK, W. H. WHITLEY. 5-25-16c.

ANNOUNCEMENT.

To the Democratic Voters of the Second Senatorial District:

I hereby announce my candidacy for the nomination as one of the State Senators from this district in the next General Assembly, subject to the action of the Democratic Primary to be held on June 3, 1916. If nominated and elected, I promise to fairly and impartially represent the wishes of the people of the district. I will pass no injurious legislation. I will give notice of all local measures in the public press, and if any citizen desires a hearing on any measure, I will guarantee that he gets one. I earnestly ask the support of all democrats. Respectfully, LINDRAY C. WARREN. Washington, N. C. March 27th, 1916. 1-37-law-c.

CANDIDATE FOR SHERIFF.

I hereby announce myself a candidate for the office of Sheriff of Beaufort County, North Carolina, for the ensuing term beginning 1916, subject to the Democratic primary. If nominated I pledge my best efforts to discharge the duties of the office fully and impartially. April 20, 1916. J. S. HODGES.
