LOCAL MERCHANTS HELP BUILD UP THE TOWN: THE MAIL ORDER HOUSES DO NOTHING BUT POCKET YOUR MONEY AND GIVE YOU THE LAUGH

Your Home Merchant Helps Build Roads, School Houses,
Churches, and pays Taxes. He Extends You
Credit When You Need it.

Every resident of Beaufort county owes it to himself, to his family and to his community to purchase his goods from the Home Merchant.

It is the Home Merchant who helps to keep up our city, who assists in building roads, in erecting new school houses and churches, in subscribing to various charities and in extending credit when it is needed.

What does the Mail Order Man do?

Nothing, except pocket your money with a sly smile and send you goods that wholesalers could not dispose of to retailers and was glad to get rid of by selling them to Mail Order Concerns.

Apply the Golden Rule to the situation. Look upon it from all angles. If you are fair-minded and logical, you are bound to do your trading at home and let the Mail Order Man find his customers from some other part of the country.

HALT!

The command to HALT has back of it the power of the army. In hundreds of communities in this country today a HALT has been called on the Community Robber, on the man or woman who, thinkingly or unthinkingly, robs the community by refusing to patronize HOME interests. What is needed today are MORE sentries, more men and women to call a halt on such thoughtfulness. Our community is asked to take a definite stand on this question. Let each man appoint himself a sentry to see that the community life is preserved. Other communities have fallen in line. They have hoisted the Home Trade flag. We must fall in line or fall behind. Forward, March.

He Saved Money, Didn't He?

A customer ordered from a Mail Order House six sets Tobacco Truck Axles to save five cents a set—thirty cents; but had to pay 50c freight. The Mail Order House pays no town, county or State tax in North Carolina. We pay hundreds of dollars. Don't we save you money?

A GUARANTEE

We guarantee our prices on any piece of Hardware we carry to be equal or less to that of any mail order house in the United States for the same quality of goods and on the same terms, delivered in North Carolina.

Says Baker:

Your best friend on earth is your mother. She may live in a palace, or log cabin. Just the same she is your mother. If you have left home and don't see her often, send her your photograph every once in a while. It will almost be like a personal visit. And she will think more of the last photograph, of course.
