## LOCAL MERCHANTS ARE SOMETIMES TO BLAME FOR LARGE BUSINESS DONE BY MAIL ORDER HOUSES

Big possibilities confront the community that does its trading at home. Every dollar that is sent away, makes the county that much poorer. It makes one dollar less that might be spent in the development of our resources. It makes one dollar more for the mail order man to salt away.

The great trouble with some of our citizens is that they do not know what the local dealers have in stock and the price at which they sell their goods.

And—it might also be added,—that the great trouble with our merchants is that they don't sufficiently advertise their goods so that the public can see what they have to offer them.

It is up to us to eliminate these conditions. When we have done that, the business of the mail order houses from Beaufort county will have decreased considerably.

### A PLEA FOR GOOD ROADS

You can't send away for GOOD ROADS. The work must be done at home. The worst enemy of GOOD ROADS is out-of-town buying. The only GOOD ROADS movement that is worth while is that leading to the Home Town. The model community is honeycombed with good roads—all highways to the town market, making it easy of access to the farthest farm. GOOD ROADS and TRADING AT HOME go hand in hand. They are inseparable. You can't have one without the other. Every order sent out of town puts a stumbling block in the movement for GOOD ROADS. Eut every dollar you spend at home is a paving block in the path of progress and economy. Join the "Trade-at-Home" brigade.

**He Saved Money, Didn't He?**  
A customer ordered from a Mail Order House six sets  
Tobacco Truck Axles to save five cents a set—thirty  
cents; but had to pay 50¢ freight. The Mail Order House  
pays no town, county or State tax in North Carolina. We  
pay hundreds of dollars. Don't we save you money?  
**McKeel-Richardson Hdw. Co.**

**A GUARANTEE**  
We guarantee our prices on any piece of Hardware we carry to be equal  
or less to that of any mail order house in the United States for the same qual-  
ity of goods and on the same terms, delivered in North Carolina.  
**Harris Hardware Co.**

**Ocean Breezes by Wire**  
Think what a pleasure and comfort it is to have cool  
ocean breezes delivered into your home by merely turning  
the switch of an electric fan. Quarter of a cent per hour  
is all it costs to run a portable 8-inch fan, which can be  
carried from room to room. A 12-inch fan costs less than  
burning a single electric light.
