MERCHANTS WHOSE ADVERTISEMENTS ARE APPEARING ON THIS PAGE ARE HELPING WASHINGTON TO PROGRESS AND DEVELOP

Before you turn over and read the other pages of today's issue, we earnestly request you to study this page carefully. There is not only the cartoon and the editorial matter to be considered, but every advertising space has an important meaning for you. These spaces are paid for by the leading merchants of Washington. They are the ones who are interested in the welfare of the community. From them you can be sure of fair treatment at all times. They are helping Washington and Beaufort county to progress and develop. You owe it to yourself and to the town to patronize them. Read the advertisements—they have a special message for you and for every other reader of this page.

"GET WISE"—IN TIME
Why not get wise in time? Why wait till it is too late? People all over the country, north, south, east and west, are getting wise to the ruinous results of out-of-town buying. THINKING people are NOW refusing to patronize out-of-town houses. Are WE going to wait until we are knocked down and run over before we "get wise?" Let us spend our time and money in building up something that is OURS. Patronage of home business means the building up of a strong industrial community of our OWN. Neglect of home business interests means the building up of a machine that will one day crush us without mercy. Let us build for ourselves and for our friends and neighbors. Let us "get wise" before it is TOO LATE.

He Saved Money, Didn't He?
A customer ordered from a Mail Order House six sets Tobacco Truck Axes to save five cents a set—thirty cents; but had to pay 50c freight. The Mail Order House pays no town, county or State tax in North Carolina. We pay hundreds of dollars. Don't we save you money?
