MAKE THE MAIL ORDER CATALOGUE A THING WHICH THE PEOPLE WILL BE ASHAMED TO HAVE IN THEIR HOMES

We all believe in Washington's future. We all want to see her grow and prosper. There's one thing certain, however, and that is that we can never hope to advance if the people of the county send their money away to the mail order houses. Every dollar sent out of town means a blow for the advancement of Washington and Beaufort county. Every dollar spent at home, is a boost. Let's make the mail order catalogue a thing which people will be ashamed to have in their house. Let's determine to spend every dollar at home, where the money has a chance to come back to us again. When it is sent to the mail order house, it's gone for good. The advertisements on this page are by the most progressive merchants of Washington. Read them, and then trade at their stores.

GETTING A WIFE "BY MAIL"

This young man, trained to look for "bargains" from pictures, falls for the matrimonial agency bait. For months he courted his future wife from Long Distance with the help of a photograph. The photograph was certainly "easy to look at." The day when he was to meet her COULD not come too soon. But, alas, what a rude awakening! His prize was a Blank. He didn't know that there are always two sides to a picture, the original and the counterfeit. MORAL—"Out-of-town" schemers, flirting for your dollars, do not send you the real picture. Real people, real goods, real bargains and real prosperity are found AT HOME.

He Saved Money, Didn't He?

A customer ordered from a Mail Order House six sets Tobacco Truck Axles to save five cents a set—thirty cents; but had to pay 50c freight. The Mail Order House pays no town, county or State tax in North Carolina. We pay hundreds of dollars. Don't we save you money?
