Merchants Go North To Buy Stock of Goods For Fall and Winter

Washington stores are going to carry the most complete and up-to-date stocks this fall and winter.

Many of the merchants are already at northern markets, selecting goods. These will begin arriving in a week or two.

When the fall and winter season opens, the people we live within twenty-five miles of Washington can be assured that their every want can be satisfied.

No matter what the line is—dry goods, clothing, hardware or shoes—the Washington stores will have it. And it will be here for your inspection and approval. You can see every piece of goods before you buy it and decide whether you are getting your money's worth or not.

That's more than you can get from the Mail Order Houses, isn't it?
Go your fall and winter trading at home. You'll be better off because of it, and the entire community will, too.

CUT DOWN THAT TREE

Once upon a Time a Certain Man had a Garden. In the center of the Garden he planted a Tree. The Tree grew Year by Year until its roots spread to each Corner of the Garden. The Roots of the Tree Sapped all Life out of the Soil. Then the Man woke up to the Fact that he Must Cut Down the Tree. The Mail Order habit, like a Deadly tree, has Fastened its Roots on our Community Life and is robbing Us of Thousands of Dollars each Year. Year by Year we have cultivated this Habit until we are now Face to Face with the growth that is holding back Our Community. We must STOP the Growth of this Habit by Cutting it Out.
