the day to punish your stomach. So many people fill themselves with Turkey and Cranberry Sauce on this day, then lay around and grum and growl because they did it.

Yet—these same people will wear shoes 365 days in a year that neither fit or feel good. They will punish and torture their feet, and cultivate an animal temper from what was previously a sweet disposition. All because they either bought cheaply constructed shoes with the false idea of saving, or were sold a pair of shoes that did not fit, because the shoe man needed the money.

You get no such shoes or service here. We will sell you good shoes that fit or we won't sell you.

Try it and see.

OH! GRANDMOTHER YOU DIDN'T TAKE YOUR TANLAC

Was Thoughtful Reminder Offered Mrs. M. C. Hensley at Meal Time.

"Sometimes when I eat down to lunch, forgetting to take my Tanlac, 'Oh, Grandmother, you forgot your Tanlac,' would come from my little granddaughter," explained Mrs. M. C. Hensley, of 220 West Street, Greensboro.

"I am 68 years old and have been in bad health for the past ten years. Gout, rheumatism and rheumatism were my principal ailments. Of course, I tried many remedies, but nothing has helped me like Tanlac has.

"And now I can satisfy my desire for cabbage or any kinds of meats without suffering a great deal from after effects. I am going through with the full treatment of six bottles and am going to try and persuade my husband, who is a dealer in Florida real estate, to take it also," the happy aged lady smiled in conclusion.

Genuine Tanlac is sold in Washington only by Davanport's Pharmacy, Bethesda, H. F. Noble.

STELOW TO AGAIN FIGHT FOR HIS LIFE

(By United Press)

ALBANY, N. Y.—Whether Charles F. Stelow shall be killed in the electric chair at Sing Sing may be determined today at a public hearing before Governor Whitman which comes as the climax to a sustained, dramatic fight by scores of persons who believe Stelow innocent despite his confession. He made the confession after he was mercilessly questioned by private detectives. He later denied it saying he confessed to be relieved of the tortures of questioning.

Stelow has been deprived several times. Subsequent to his conviction Erwin King was taken into custody and confessed to the slaying of Charles B. Phelps, and Margaret Wolcott, for whose deaths Stelow was convicted. King's confession was made voluntarily. After a few days he withdrew it.

Stelow was denied a new trial, the court holding that King's confession was not adequate to warrant one.

Those who believe Stelow innocent will today present their side of the case to the governor in the hope of commutation, if not pardon for the condemned man.

Guard Your Children Against Drowsy Tablets

Many children at an early age become drowsy and sleeping pills are administered to them. This being able to realize the danger of such a child's health should be constantly watched and a gentle remedy given when necessary. Dr. Miles' Laxative Tablets are especially well adapted for women and children. The Office of Christian Charity, 531 Charles St., Luzerne, Pa., who attend many cases of sickness try at them.

"Some time ago my baby was sick," Mrs. Laxative Tablets and she that we have been very much relieved. I am glad to say we are getting on better now. We have had good results in every case and the babies are very much pleased."

The form and flavor of any medicine is very important, as nothing who is to take it. The taste and appearance are especially important when children are concerned. All parents know how hard it is to give the average child medicine, even though the taste is partially disguised. In using Dr. Miles' Laxative Tablets, however, this difficulty is overcome. The shape of the tablets, their appearance and candy-like taste at once appeal to any child, with the result that they are taken without objection.

The rich chocolate flavor and absence of other taste, make Dr. Miles' Laxative Tablets the ideal remedy for children.

If the first box fails to benefit, the price is returned. Ask your druggist. A box of 25 doses costs only 25 cents. Never sold in bulk.

INDIA THE LAND OF CASTE

Incomprehensible Rules of Living, Which Are Obeyed Absolutely by Those They Condemn.

Four years ago, up in the northwest of India, a child, belonging to a Brahmin family fell into a well. All the men of the family were away and the women were helpless. The servant known as the sweeper—a very low caste man—offered to climb down into the well and rescue the child. His suggestion was regarded by the women as scandalous, for his touch would have defiled the drinking water of the household and also the drowning boy. Hence the little fellow was left in the well, to be fished out dead some time later by the clean hands of a Brahmin. Rather death than defilement from the touch of an "untouchable!"

At present there are upward of 20,000 castes and subcastes in India, most of them belonging to one of the three groups known as Brahmins, Shudras and Outcasts. Individuals belonging to the latter of these groups are considered so impure in nature that to touch them brings defilement—hence their common designation, "the untouchables." The higher castes, though relatively tolerant of each other, must not dine together nor intermarry, so that a social persecution which, for most individuals, is almost unendurable.—James H. Black, Pratt in World Outlook.

RHEUMATISM'S TERRIBLE TORTURE

With Excess Uric Acid in Your System You Can Never Be Free From Rheumatism.

Why? Because any exposure to cold, drafts, dampness, chills your blood; it strangulates; the uric acid crystallizes and forms deposits of needle-like particles which lodge in the joints and tissues. Result? Intense pain and Rheumatism.

If you are troubled with Rheumatism, go to W. A. & J. G. Blount and buy a bottle of WONDERGREEN, and you will be surprised how entirely different you will feel in a short time. It doesn't matter how long you have suffered, how old you are, or what you have used. The very principle of WONDERGREEN is such that it is practically impossible to take it into the human system without some beneficial results.
