

Hope Almost Abandoned When She Found Remedy

Dr. Caldwell's Syrup Pepsin Relieves
Chronic Case of Long Standing.

After a long period of suffering with liver and bowel trouble that brought on piles, during which she had tried many remedies without obtaining relief, Mrs. Mary J. Jewell, of Burrier Springs, Mich., heard of Dr. Caldwell's Syrup Pepsin and obtained a bottle from her druggist. This simple, inexpensive laxative compound brought almost immediate relief and Mrs. Jewell wrote to Dr. Caldwell about her case.

In her letter Mrs. Jewell says, "I had tried so many things for the piles, without being helped at all, I had about given up hope of ever being any better. I knew it was the condition of my bowels that caused them; and after I had taken a bottle of your Syrup Pepsin I knew it was just the medicine I needed. I am very grateful to you for sending me the little book—the advice and instructions it gives would teach anyone how to get well and how to keep well."

Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin, free from opiate or narcotic drugs, and is mild and gentle in

its action, bringing relief in any easy, natural way, without griping, or other pain or discomfort.

Druggists everywhere sell Dr. Caldwell's Syrup Pepsin for fifty cents a bottle. To avoid imitations and ineffective substitutes be sure you get Dr. Caldwell's Syrup Pepsin. See that a facsimile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 455 Washington St., Monticello, Illinois.

GERARD SAILS TODAY WITH AMERICAN VIEWS

NEW YORK.—Ambassador James W. Gerard today sailed on the steamer Frederick VIII, to resume his duties at Berlin, leaving President Wilson determined to pursue the same course as in the past toward Germany.

The Ambassador carried with him a clear summary of this government's attitude on all questions now pending between Germany and the United States, gained in conferences with the President in the first talks he has had with the President since the war began.

While here the ambassador assured those with whom he talked that the danger of certain radical elements in the empire overthrowing the influence of the German government was trifling.

Before sailing Gerard expressed the belief that many of the belligerent countries—Germany at least—will do all of their buying in their own countries.

"If our peace and prosperity is to continue," he told a group of New York business men, "we must give permission for business men to combine for foreign trade."

The President embodies this same idea in his message to Congress today.

men, left for her strategical reserve. Austria is in precisely the same condition, the troops being held in reserve by her not exceeding three divisions.

This information, with supporting evidence, was placed at my disposition today to refute the claims made recently by Germany and Austria that they are holding in reserve a large strategical army which will be flung at a given moment on the particular point where they wish to engage a decisive battle.

That this condition was brought about largely through Germany's obstinacy in keeping up the six months attack at Verdun was confirmed to me by the same source. The Intelligence Department of the French Army has been able definitely to ascertain this.

Error Made in Statement Saturday
with Reference to Rev. J. H. Warren.

An error was made in Saturday's issue of this paper in stating that Rev. J. H. Warren was to leave Washington Collegiate Institute. He does not hold any official relation with this institution except being a member of the Board of Trustees and he will not sever this relation but will continue to be a friend and booster for the school. He does, however, leave the Coast District which he has been serving as Superintendent for the past six years and will take up the pastorate again in Elizabeth City.

SAYS GERMANY ONLY HAS 45,000 LEFT IN RESERVE

By HENRY WOOD,
(United Press Staff Correspondent)
In the Field, France, Nov. 10.—

FAT FOLKS MAY NOW BECOME SLIM QUICKLY

Be Moderate in Your Diet, Breathe Deeply, and Take Tassco.

Fat persons, particularly those from 10 to 30 pounds above normal weight will be interested to learn that they may easily reduce their weight without starvation diet or tiresome exercise.

This can best be done by being moderate in your diet, so that you will not over-tax your assimilative organs, by getting plenty of fresh air, by breathing deeply and by taking tassco four times a day.

Tassco may be obtained from Worthy & Etheridge in 5-grain tablets, take one after each meal and one before retiring at night. They cost little, are absolutely harmless, are pleasant to take and are designed to reduce fatty accumulations in the system wherever located.

A few days' treatment should show a noticeable reduction in weight, the flesh should become firm, the skin smooth and the general health improved. In fact your footsteps should even become lighter, your work seem easier and a lighter and more buoyant feeling take possession of your whole being.

Every person who is 10 or 20 pounds over normal weight should surely give this treatment a trial. You will probably find that it is just what you need.

EAT LESS MEAT AND TAKE KIDNECO IF KIDNEYS HURT

Says Kidneco Flushes Kidneys, Stop-
ping Backache

Meat Forms Uric Acid, Which Excites
Kidneys and Weakens Bladder

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in the meat excites the kidneys, they become overworked, get sluggish, clog up and cause all sorts of distress, particularly backache and misery in the kidney region, rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you get a small box of Kidneco from Davenport's Pharmacy, take one tablet before each meal followed by a glass of water for a few days, and your kidneys will then act fine. This famous treatment is made from a formula of a specialist in the treatment of kidney trouble, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Kidneco can not injure anyone, and will be found a wonderfully effective remedy for all kidney ills. They are inexpensive and can be bought by the dozen at Davenport's Pharmacy.
