DAILY LIFE OF THE SOLDIERS IS PUT INTO RHYME

(By United Press)
COLUMBUS, N. M.—Life with
Pershing's expedition in Mexico is by
no means a giddy whirl. Neither is
it a vacation "far from the madding
crowd." Every officer, soldier and
truck driver has tried to describe it.
But it has remained for a dusky
troubadour of the famous "Black
Teeth" Cavalry to put the daily life
of the soldier into verse. At once
the song jumped into favor and the
whole expedition from Palomas to El
Valle is singing it. As rendered by
the "Twenty-fourth Machine Gun
Company Quartet" it is:
"Fast 'ye take 'ye' ride an' then
ye' take 'ye' pack.
An' ye' hike across de fields an'
presume ye comin' back,
Skirmish to de left an' skirmish
to de right,
An' mak' all de motions an' pre-
sume ye goin't light,
Den ye' gits a shovel an' a big ole
pick,
An' spend de afternoon makin'
'dobe brick,
Very ner' moran' it's de same ole
thing,
An' ye' rot seven years to do
it in."

SHOE DEALERS FIGHT PROPOSALS TO MAKE THE SKIRTS LONGER

(By United Press)
CHICAGO.—The man with an eye
for a nifty ankle would better get
in his full share of looks pretty quick
—for soon there aren't going to be
any nifty ankles. They are not going
to disappear per se but they are
going to disappear from sight.
Sentence was passed on them to-
day by the Designers' Association of
Women's Clothes in session here.
Skirts are to be longer. Much longer.
The whole motif in dressing is

to be different. Artistry in design
and long flowing lines are to be de-
pendent on for charm and attention
as against "see more" styles of today.
But in the edict the dress design-
ers have reckoned without the mak-
ers of women's shoes. They are in
the campaign hot and heavy to keep
the skirts up. "If skirts go down,"
said a plea in a shoe trade journal,
"the high priced and frequently pur-
chased footwear will be replaced with
less expensive kinds so something
must be done to stop the descent."

RHEUMATISM'S TERRIBLE TORTURE

With Excess Uric Acid in Your Sys-
tem You Can Never Be Free
From Rheumatism.
Why? Because any exposure to
cold, drafts, dampness, chills your
blood; it stragulates; the uric acid
crystallizes and forms deposits of
needle-like particles which lodge in
the joints and tissues. Result? In-
tense pain and Rheumatism.
If you are troubled with Rheuma-
tism, go to W. A. & J. G. Blount and
buy a bottle of WONDERGREEN,
and you will be surprised how en-
tirely different you will feel in a
short time. It doesn't matter how
long you have suffered, how old you
are, or what you have used. The very
principle of WONDERGREEN is such
that it is practically impossible to
take it into the human system with-
out some beneficial results.
Price 50c and \$1.00 the bottle. For
sale by
W. A. & J. G. BLOUNT.

Quick Cold Relief

is usually found through the prompt
administration of a mildly irritative,
dispersive tonic—one that will ac-
tivate the inflammation, remove the
waste, and help Nature to build up
resistance.

Peruna is That Tonic.

In action is prompt, usually very
effective, and its use is without harm-
ful effects. Every household should
keep it at hand for this purpose, and
every catarrhal sufferer should regu-
larly use this reliable remedy.
The tablet form will be found very
convenient. A tablet or two at the
very beginning of a cold will fre-
quently prevent its development,
and these tablets may be taken regu-
larly with beneficial results.

WHOLESALE ROBBERY OCCURS AT EVERETTS

WILLIAMSTON.—Last night, bur-
glars went into the bank and every
store but two at Everetts. Evidently
they were hunting for money as
nothing was disturbed except the
cash drawers, where all the money
had been taken out by the owners
and placed in safes. To secure an

entrance the windows were broken
in a store, there were signs of a
drunken carousal.
Sheriff Page was notified and
bloodhounds secured, though rain
had fallen. Evidently the burglars
were people who were acquainted
with the situation.

LONDON.—If any accurate esti-
mate can be made while so many
men are away at the fighting front,
it would appear that drunkenness in
England and Wales has decreased
since the war began. A Blue Book
has been issued purporting to show a
decrease of 48,017 convictions for
drunkenness during 1916.

IN HONOR OF MISS CARTER

Miss Cowell Entertained Yesterday
Afternoon at Enjoyable
Bridge Party.
Miss Mary Cowell entertained
Thursday afternoon at a bridge
party in honor of Miss Robena Car-
ter. Her home was attractively de-
corated with long leaf pine, potted
plants and cut flowers. There were
six tables of cards. Mrs. J. B. Moore
made high score. Miss Carter and
Miss Katherine Small were also
awarded prizes. After the games,
refreshments were served in two
courses.
The following were present: Mrs.
H. W. Carter, Mrs. J. B. Moore, Mrs.
Walter Wolfe, Miss Robena Carter,
Miss Augusta Charles, Mrs. Elbert
Weston, Mrs. Hugh Phelps, Miss Lil-
lie Belle Willis, Miss Winnie Nich-
olson, Miss Mary Belle Small, Miss
Katherine Small, Miss Marcia Myers,
Miss Caddie Fowle, Miss Mary Fowle,
Miss Elizabeth Carrow, Miss Mary
Tankard, Miss Mary Hill, Mrs. Lee
Davenport, Miss Mary Carter, Miss
Rona Harding, Miss Audrey Graham,
Miss Annie Cox and Miss Elizabeth
Warren.

The greatest decrease in the con-
sumption of liquor appeared in agri-
cultural counties on the east coast.
In some of these convictions for
drunkenness dropped 41.8 per cent.
The "no treating" law undoubtedly
has aided in reducing the consump-
tion of intoxicants. During the last
six months of 1915 there were only
42,342 convictions for violating the
"no treat" law as compared to 48,750
during the first half of the year.
Throughout the entire year of 1915
there were only 135,811 drunkards
convicted, which is the lowest num-
ber recorded for nearly forty years
and is 28 per cent below the total
for 1913. Of those convicted in
1915, 33,311 were women.

SPECIALIST SAYS EVERYONE SHOULD DRINK HOT WATER IN THE MORNING.

Wash Away All the Stomach, Liver
and Bowel Poisons Before Breakfast.
To feel your best, day in and day
out, to feel clean inside, get your bile
to coat your tongue and slicken your
breath or dull your head; no consti-
pation, bilious attacks, sick head-
ache, colds, rheumatism or easy,
acid stomach, you must bathe on the
inside like you bathe outside. This
is vastly more important, because the
skin pores do not absorb impurities
into the blood, while bowel pores do.
says a well-known kidney specialist.
To keep these poisons and toxins
well flushed from the stomach, liver,
kidneys and bowels, drink, before
breakfast, each day, a glass of hot
water with a kidney tablet then take
it before dinner and supper with a
glass of cold water. This will cleanse,
purify and freshen the entire al-
imentary tract, before putting more
food into the stomach, get a dozen
kidney tablets for a quarter from
Davenport's Pharmacy; they are in-
expensive and act quickly. Drink hot
water every morning with kidneys to
rid your system of these vile poisons
and toxins; also to prevent their for-
mation.
To feel like young folks feel, like
you felt before your blood, nerves
and muscles became saturated with
an accumulation of body poisons, be-
gin this treatment and above all, keep
it up! As soap and hot water act on
the skin, cleansing, sweetening and
purifying, so kidney and hot water,
before breakfast, act on the stomach,
liver, kidneys and bowels.

To Gas Consumers

In view of the fact that there has been much uncertainty
as to the supply of gas for Washington consumers many
persons have discontinued their gas ranges and heaters.
This action is unnecessary. The patrons of the Gas Co.
may rest assured that there will be no further interruption
in the supply of gas. I know the service has been poor un-
der the former management but from this time on there
should be no occasion for anyone to discontinue their
ranges or gas heaters.

Washington needs the Gas Company and the Gas Com-
pany needs all of the patrons it can secure; therefore our
interests are mutual and I hope to have the co-operation of
the citizens of Washington to the end that our service will
not only continue but be improved.
