are cordially Invited

Having completed the enlarging and remodeling of our banking quarters we cordially invite the public to call in at their convenience and inspect our vaults, safety deposit boxes and banking room.

We have made these improvements with a view of giving to the people of Whiteville and surrounding communities a more complete and efficient banking service, and have installed throughout only the best and most modern equipment.

We shall be delighted to have you call in and look over our facilities and hope you will make use of the services we have to offer.
