### COLD SNAP OVER WEEK-END CAUSED LITTLE DAMAGE

Cold weather during the past week-end gave early truck and garden crops in this county a set-back, but little serious damage was reported by Brunswick county farmers.

The thermometer dropped to 39 degrees here Sunday morning. No official reading for Monday was available but there was a heavy frost and ice was reported in several

sections of the county. Several farmers already have begun setting out tobacco and others have plants ready to begin pulling this week. Although there have been reports of appearance of blue mold, farmers of this county have escaped serious damage thus

### Total \$68,224.57 **WPA Payments** In This County

Eighty Per Cont Of This Amount Went For Employment O. Relief Labor; Only 2 Per Cent For Non-Relief Workers

FIGURES COMPLETE **UP UNTIL APRIL 15** 

List Of Projects With Amounts Spent On Each One Included In A Summary Of Expen-ditures So Far

Until April 15, a total of \$68,-224.57 had been spent on WPA projects in Brunswick county. Of this \$54,486.69 (80 pct.) was spent for the employment of relief labor; \$1,658.01 (2 pct.) for non relief workers; \$10,684.10 (16 pct.) for materials and supplies; and \$1,395.77 (2 pct.) is the amount of the sponsors' con-

From these figure it will be seen that most of the money has gone where it was supposed to go, for the employment of men and women on relief," said Robert D. Caldwell, district WPA director, when releasing the figures. "That has been our primary goal since the beginning of the program. Conversely, we have tried to keep non-relief expenditures at a minimum. Aside from the amount spent for relief labor the largest sums have gone for

A total of \$927,139.00 has been spent in the entire district, Caldwell said. Of this \$641,947.43 (69 pct.) has gone for the em-323.03 ( pec in non-relief workers: \$193,332.02 (21 pct.) for 536.52 has been spent by the sponsoring agencies in the vari-
