**TO THE VOTERS OF Brunswick County:**  
It has been falsely reported, for the purpose of injuring me in my candidacy for Judge of the Superior Court of the Eighth Judicial District, that I have combined with certain local candidates against certain other local candidates and that I am financing the campaign of certain local candidates. This report is absolutely false. Neither I, nor any of my friends have done this, nor do we contemplate taking any such action. I will be glad to face any person who wishes to make any such charge against me. I am in a position to refute such charges. I hereby ask my friends to report any such rumors to me immediately, in order that I might have full opportunity to prove them false.  
I have made many friends in Brunswick County, and I appreciate the friendliness with which my candidacy has been received. It has been my purpose to harm no one, but to be friendly to all candidates and all the people. My opponent, Mr. Burney, is a splendid man, and I feel sure that he has no knowledge that some of his over-zealous supporters are spreading false reports for the purpose of injuring me.
