Thanks..

As it is impossible for me to see all my friends who so loyally supported me in the primary, June 4th, 1938, I take this means of expressing to you my sincere thanks for the confidence shown in me and to assure each of you that I shall never forget the wonderful support given me.

John J. Burney

I Am Grateful

To those who had the courage to stand firm and support my candidacy for Judge of Recorder's Court, in the recent primary.

To those who were influenced to withdraw their support from me, in the last hours of the campaign, I offer no criticism, but accept my defeat in a spirit of good sportsmanship, secure in the satisfaction that I took advantage of no opportunity to work against the success of any candidate, and I shall continue, at all times to be devoted to the best interests of Brunswick County and the fundamental Democratic principles of "equal and exact justice to all, guarding against the exercise of special privilege and selfish interests."

Oppose Second Primary

At the request of many of the Tax Payers in our respective precincts, we, the Chairmen of the several precincts in our county do hereby go on record as disapproving a second Democratic Primary.

We are stating through the press our disapproval because it will cost the taxpayers of the county in the neighborhood of \$1,000.00 to conduct a second primary.

The County Government at all times has made every effort for a reduction in expenses and for the purpose of economy, and for no other reason, we are respectfully requesting that those candidates who have filed for a second primary withdraw.
