

BOLIVIA SCHOOL NEWS

"The Path Across the Hill" has been selected for the Senior class play. Characters have been chosen and are beginning work on it. It will be presented about April 1.

The home economics classes are working on a dress project now.

IMPROVEMENTS
The new dressing rooms in the gymnasium are practically ready for use, the plumbing having been finished this week. The wiring of the school building is also progressing, and soon we hope to have ample lighting in the classrooms on dark days.

THIRD GRADE
The Third Grade is still happy that they are leading in attendance in elementary grades. We have finished our Eskimo Unit and we hope to start a study of birds soon.

SEVENTH GRADE
The Seventh grade gave a play last Friday morning at chapel, "The Mischievous Negro". Bobby Robbins was the mischievous negro and furnished plenty of fun for everyone.

P.-T. A.
The Bolivia P.-T. A. will meet in the high school auditorium Tuesday evening, March 12, at 8:30. Everyone is invited to be present.

MAKING KITES
March will soon be here with its wind, and our first grade is getting ready for it by drawing kites and making real kites that will fly.

LET'S HAVE A SPRING CLEANING
(Student Editorial)

"It's time to begin our annual spring cleaning before 'spring fever' gets us down. Don't be caught saying as the old colored fellow said, 'Master, you can't imagine how soon that fever attacks a person!'"

"Let's really give our homes, school and grounds, and our surroundings a real cleaning and prepare the grounds for flower planting time which is really very near. 'Beautification of North Carolina!' That's what we want. Clean out all hidden away

FOR REGISTER OF DEEDS

I announce my candidacy for the Democratic nomination for Register of Deeds. I served the people of this county for 4 years as clerk of court, and if you are satisfied that I rendered satisfactory service to you in that office, I will appreciate your support.

B. J. Holden

3-6-

nooks and corners. Remove everything and allow plenty of sunshine to accumulate in the homes which have been shut up all winter. What we need most is a "Good old-fashioned scouring and scalding."

Next, clean the yards and prepare for a beautiful flower garden. Clean away old cans, papers, etc. that have accumulated 'round and near the homes.

Visitors are going to see our school and how well it is kept also. Why not help keep it clean and also help protect our shrubbery, or better still, help plant more. People will say, "Our school has a good background of cleanliness and beauty."

Then let's tear down old ugly signs and billboards that mar the beauty of our scenery. Prevent disasters such as fires from destroying our trees.

After these improvements I know that we, as well as passers-by, will say, "North Carolina is truly a state of cleanliness, most intelligent people, and surely the most beautifully kept state in the union!"

SECOND GRADE
The second grade has been quite busy making kites and drawing kites, and we are anxious for spring to hurry and come.

BASKETBALL
The boys and girls are looking forward to the Star-News tournament in Wilmington beginning today. Calypso boys will furnish competition for our lads on Thursday night at 7 o'clock, while our girls tackle Bladenboro on Wednesday at 9 o'clock. We are expecting to come through the first round undefeated.

Even though our boys were defeated in this county tournament, people still admire our hard working outfit. To our boys and girls we say, "Well done, and good luck."

HEALTH POSTERS
Miss Reid's section of the first grade is working on a health unit and are making some nice posters.

DEBATE
Four members of the ninth grade gave a most enjoyable debate before the grammar grade and the high school on Monday. The question was, "Resolved that it is better to be a little frog in a big pond than a big frog in a little pond!" Alma Wolfe and G. C. Hickman ably discussed the affirmative while Bobby Meekins and Wendell Sellers upheld the negative. One of the five appointed judges was absent. The decision resulted in a tie.

ATTENDANCE
The eighth grade in the high school and the third grade in the elementary school had the best attendance records last week.

P.-T. A. MEETING
We hope that all students will urge their parents to attend the P.-T. A. meeting on Tuesday night, April 12. Lieutenant Davis of Wilmington will speak on "Safety".

HONOR ROLL
Miss Wilna June Thomas has had her name posted on the Honor Roll at W. C. U. N. C. Greensboro. The Honor Roll is composed of the 8% of the Freshman class making the most number of quality points.

District Schoolmasters Meet Planned Friday Fayetteville
(Continued from page one)

fifty school men representing superintendents, principals, teachers and board members are expected to be in attendance. Counties having local clubs are as follows: Cumberland, Hoke, Moore, Montgomery, Bladen, Anson, Richmond, Scotland, Harnett and Lee. Other counties in the

southern and eastern area with organized Schoolmasters' clubs invited and expected to attend are: Brunswick, Columbus, Duplin, Sampson, Johnston, and Union. A committee from the New Hanover County Classroom Teachers Association and others will be in attendance.

H. Lee Thomas, Superintendent of Moore County Schools will preside at the meeting. K. A. McDonald, Superintendent of Hoke County Schools is the secretary. There will be an election of officers for the District for 1940. C. Reid Ross, Assistant Superintendent of Harnett County Schools, the present vice president, is slated to be elevated to the presidency.

SOUTHPORT BOYS AND GIRLS HURT
(Continued From Page 1)

way machine were Mr. and Mrs. W. E. Doshier, Mrs. Sidney Veazey and Ernest Burris. None was seriously hurt.

CAMERA ADICTS VISIT ISLAND
(Continued from page one)

A great many valuable pictures were made, despite the frequent showers. Superintendent Charles Matthews of the island property contributed greatly to the pleasure of the party by taking it around to Big Island. While many thousands of photographs have been made on the main Bald Head tract, photographers have never discovered the beauty of Big Island. In fact, very few people have been on that tract where a wealth of palmettos and great oaks combine to create the greatest photographic beauty of any spot in the whole Bald Head group.

Claude Howell, young Wilmington artist, whose work has recently been attracting much attention; in fact he won a \$200.00 prize for a landscape only last Friday, said that the Big Island tract was the most beautiful for painting of any place he had ever seen. He plans to return with other painters some time in the near future.

Those in the party were Misses Lucy McIvaine of Downingtown, Pa., Eleanor Smith of Haverford, Pa., Sue Calder of Wilmington; Fisher Foulke of Winnabow; Claude Howell and Jack Whittan of Wilmington and W. B. Keziah of Southport. Miss McIvaine is an expert with the camera. She makes a specialty of magazine pictures.

MISS WILLETTS DIES AT HOME
(Continued From Page 1)

Bolivia and Southport high schools. Until her illness, she was an active member of the Mill Creek Baptist church.

She is survived by her parents; six brothers, C. P. Willetts, of Fredericksburg, Va., H. Delmar Willetts, of Kure's Beach, Harry Willetts, of Bolivia, Weston, Roy and R. S. Willetts, Jr., of Winnabow; two sisters, Mrs. J. M. Caton and Eloise Willetts, of Winnabow.

MRS. GORE DIES NEAR WINNABOW
(Continued from Page 1)
Creek Baptist church.

Funeral services were held Friday afternoon at 3 o'clock from the church, conducted by the Rev. Dan Stanaland. Burial followed in the church cemetery. Active pallbearers were: W. B. Sullivan, B. R. Sullivan, Lindon Sullivan, I. S. Willetts, E. J. Gore and O. J. Gore.

Bolivia Girls, Shallotte Boys County Champions
(Continued on page 4)

The boys' game was nip and tuck all the way. Leland scored first, but Shallotte tallied three times before the quarter ended and led 6-4 at that point. The ding-dong battle continued throughout the second stanza, and at intermission Shallotte still was in the van, this time 10-9.

At the end of the Third quarter Shallotte again had a two-point margin, and teams were headed for the game's climax. Leland put on a spurt that gave them a 20-19 advantage with less than a minute to go. A foul was called on a Leland player and the Shallotte lad was true with his try from the free-throw line. The game went into an extra period.

There followed a feverish scramble for the first basket, with a Shallotte player finally laying one through the hoop. There followed a period of freezing the ball, and the game was over.

Between the two games a foul goal shooting contest was conducted with a representative from each of the teams in the tournament competing. Aron Inman of the Waccamaw team won out in the boys division and Miss Cannon of the Bolivia sextet captured the honors in the girls chance.

Following the games the winning teams were presented handsome trophies by Mr. Garrett,

principal of the Leland High school.

Officials who served during the four night meet include: referee, Andy Hewlett, Whiteville football coach; scorer, Livingston, of Southport; and timer, Bolick, of Shallotte.

All the teams competing in the Brunswick meet are scheduled to appear in the Star-News-Y. M. C. A. tournament, which starts this afternoon.

The Leland lads earned their place in the finals by handing Bolivia boys a 32-19 licking in Friday night's semi-final contest.

This was the rubber contest between the two teams, each having won from the other in pre-tournament play, and there was nothing in their past record to indicate the clear-cut margin by which the victory was gained.

Leland's well balanced attack turned the trick. Hall led the scoring with 8 points, Hollis and Ganey trailed with 7 points each. Lowe made 6 points and Robbins accounted for 4 points. Rabon was the game's high scorer with 9 points.

Shallotte boys qualified for their finals berth by taking a thriller from Southport Saturday night 21-15. This game was closer than the score indicates, Shallotte being only 1 point ahead at the end of the third quarter. Russ, Floyd and Grey each accounted for 5 points to pace the winning attack, with Lewis, O'Daniel and Shannon scoring most frequently for the losers.

Victory over Waccamaw in the opening round Thursday night moved the Shallotte boys up to

their semi-finals engagement with Southport. Their first-round victory was by a score of 27-17 and featured the play of Floyd, who made 11 points. Ward led the losing attack.

A summary of early round games for the girls shows that Bolivia swamped Shallotte 58-33 to move into the finals. Catherine Stone kept the goal rim hot as she made 23 points, and able

assistance was given her by Lucy Hand with 19 points. Stanaland made 18 points for her team in a game attempt to stem the tide of defeat.

Shallotte's semi-finals berth had been gained by a Thursday night victory over a hapless Southport sextet that was nervous and shaken following an automobile accident en route to the game. Final score was 43-3,

with Stanaland piling up

points. The Leland lassies were mowed by the Bolivia team. Friday night of the tall maw girls who won 45-26. winners showers a well-balanced attack that Brady leading with 15 points. Norris trailed with 15 and 17 points and Douglas with led Leland.
