Fred Willing and Mrs. Robert Thompson substituted for them. Mary served coconut custard pie with coca cola for refreshments. Claudia and Bill Wells' house is nearing completion and it won't be long before they'll be moving in. It's such an attractive house and is in a nice location. Those breezes will be grand in the Summer. The land lady tells me that the bungalow will stay just as attractive as it is while new because Claudia is a grand house keeper and will keep it spotless. Southport seniors were guests of their mascots, Pat Marlowe and Lou Hardee, at a theatre party in Wilmington Wednesday afternoon. Or course, their mamas, Marion and Dorothy, did the arranging, but the mascots are nevertheless prime favorites with the class. Lois Jane and Wilma cooperated by carrying cars on the pilgrimage.

ENJOY TEA Members of the Home Economics III class of Shallotte school enjoyed a tea in Wilmington at the New Hanover high school Tuesday, April 16, from 4 until 5 o'clock. They visited the different sections of the home economic department, after which delicious refreshments were served. Beer License Renewals May is the month when city and county authorities have the responsibility of passing on yearly applications for beer licenses. It is the hope of the Brewers and North Carolina Beer Distributors Committee that local authorities will scrutinize the record of each applicant, and will deny renewals to the few who have abused the privilege of a license. Careful selection of licensees fosters better law observance, requiring a smaller expenditure for enforcement and allowing larger sums for welfare and school purposes.
