LELAND SCHOOL NEWS

FIRST GRADE The 1st grade wants to thank Mrs. J. C. Chadwick for the milk she is sending them.

5th & 6th GRADE The teachers of the 5th and 6th grade arranged to have a radio in their rooms last Monday, so the pupils could hear the speech made by President Roosevelt. They all enjoyed hearing the President talk, and his speech brought on many interesting discussions between the pupils.

THIRD GRADE The 3rd grade pupils have been writing some short stories about the month of the year they like best. The following are a few of the selections to be published.

THE MONTH I LIKE BEST The month I like is December. I can go to school and play with my school mates, that I miss so much in the summer. Best of all Christmas comes, which I think is the best time of the year.

THE MONTH I LIKE BEST I like July, because it is a

month for many sports. I watch people fish, and I go swimming sometimes. It is lots of fun to go boating. We have picnics during this month, and have fun playing on the beach.

Nancy Powell, 3rd grade THE MONTH I LIKE BEST I like January, because it might snow. The cold wind blows, but it is interesting to listen to it blowing around the school house.

Gladys May Ganey, 3rd Grade. THE MONTH I LIKE BEST I like February because my birthday comes then. It is the month when we give Valentines, too.

Azalea Lewis THE MONTH I LIKE BEST I like the month of June, because I have a birthday then. In June summer begins. I can go to the beach then. The trees are green and the flowers are in bloom.

Richard Meverell, 3rd grade. FIFTH GRADE NEWS The fifth grade had their chapel program on Tuesday, January 14, 1941. We had two exercises on the United States flag.

The most important characters in the plays were Kathleen Branch, and Ernest Costin. Ernest was the color bearer who answered questions asked by the pupils on the flag. Katheline was "the Voice of the Flag".

The three themes of the play, "The Voice of the Flag" were: obedience, truthfulness, and cheerfulness.

Today we heard the inauguration address which we found very interesting. It was held during part of our History period.

Elizabeth Perry SENIOR CLASS MEETING A class meeting was called Monday by President Elmore Ganey, for the purpose of deciding what the senior class wished to leave the school or, if they wanted to have an annual. It was decided by the class that we would work together toward the goal of obtaining enough money by April to leave the school a walk. The walk will begin at the foot of the front steps and extend to the columns out front.

BASKET BALL Our girls and boys are all high spirited this week, because the county series of games begin. We are all eager to begin playing the county games, because it is a contest, something we are very fond of. Our boys and girls teams have ordered (warm-up) suits. They can hardly wait to get them.

Will Hold Meeting Here This Year

State Board Of Conservation And Development Will Come Here From Morehead City After One-Day Meeting

The North Carolina Board of Conservation and Development will deviate somewhat from the usual custom this year. Instead of holding the full yearly meeting at Morehead City, where they are required by law to meet and give fishermen and others a hearing, they will meet in Morehead City for only one day and then come to Southport to hold the balance of the session here.

Writing the Chamber of Commerce this past week, J. L. Horne, Jr., of Rocky Mount, chairman of the board and head of the state advertising program, stated he was hoping that this meeting would give the members of the board an opportunity to know the citizens of this part of the state better.

At a meeting of the directors of the Conservation Board in Raleigh last week, the Brunswick county folders were used in connection with the report of the Advertising Division. Mr. Horne stated that all members of the board agreed that the printing and distribution of this work was an ambitious and progressive program for a county of only about 17,000 population. The folders were considered an effective tie-in with the State Advertising work.
