The members of the Senior class have organized a citizenship club, entitled, "The Alfred Moore Citizenship Club". The officers are: President, Ethel Douglas; vice president, Emma Lee Williams; Secretary and Treasurer, Sylvia Bordeaux. We chose to

name our club after Alfred Moore because he was a prominent citizen of Brunswick county. We will have our first meeting in the near future.

RETURNING TO SCHOOL

FIRST GRADE
Mrs. Knox's first grade students have recently completed a unit study on farm animals. From their visions of farm animals life after their study they have made for their bulletin board a farm with various animals grazing on green grass. All the pupils helped make the animals, and have pinned them on the green pasture with pins. Very interesting work, and the children had great pleasure in completing their work.

WHO'S WHO
The Senior class is beginning to wonder who will be nominated

as a member of who's who in American High School. This is a new national organization for high school which corresponds to who's who in American Colleges.

SOUTHPORT SCHOOL NEWS

BASKETBALL
The Southport Basketeers experienced their first loss of the season Tuesday night when they split a double bill with Burgaw High School at Southport. The Southport girls emerged victorious with a score of 14-8 while the Burgaw quint trounced the Southport five 14-13. The boys game was nip and tuck throughout. The end of the half found Southport lads leading 8-7, end of third quarter found Southport still in the lead, but Williams' long shots and Farrell's free throws soon put Burgaw on the offensive with a 14-13 margin which they held throughout the remainder of the game. High scorer for the winners was Williams with six markers, while Willis with six points starred for the losers. Referees were Robert Thompson and Herbert Rogers.

On Wednesday night the Southport basketball teams met Atkinson at Southport gymnasium. Our boys came out of the game victorious with a score 15-3. The girls fought a hard game but lost by a large margin, the score be-

ing 40-19 in favor of Atkinson. Marjorie Hickman led the Southport girls with six points.

Our first conference game was played at Waccamaw Thursday night. The boys played a fine game and won with a score of 25-11. The girls were not as lucky, because the odds seemed to be against them. The game ended with a score of 35-2 in Waccamaw's favor.

PEP MEETING
The Southport high school held its first pep meeting last Wednesday in the auditorium. Mr. Lingle introduced the players on the two teams to the student body. Then the meeting was turned over to Martha Grey Brown, head cheerleader, and her assistants, Martha Easley and Tom Gilbert. The students practiced their school song and yells which they would use at the basketball games.

A declamation contest, sponsored by the Brunswick County Council of the Parent Teachers Association, will be held Thursday night at the Bolivia high school. The boys will recite declamations or orations while the girls contesting will have humorous readings. The boy and girl representing Southport will be chosen Monday night when our school will have a preliminary contest.

MAKE THE START

More than 2,000 years ago, a wise old Chinese philosopher wrote this proverb:

"A JOURNEY . . . OF 1,000 MILES . . . BEGINS . . . WITH . . . A SINGLE STEP"

The passing of many centuries has not dimmed the wisdom these few words suggest. To get somewhere, the thing to do is to take the first step. The going may not always be easy, but to find good fortune one must make the start.

For many, the first step toward financial success has been an account at this friendly bank. We cordially invite your business.
