Pass It Along
Miss Belva Bennett is a former County Council President and one of the outstanding leaders in Beaufort County. She writes us, "Since I have been a club member it has been my motto, 'Pass it along.' Each month it gives me pleasure to do this and I reach an average of 10 to 15 women. I cannot tell in words the value of Home Demonstration Club Work and what it has meant to me. I sincerely believe if each one would put into practice the lessons taught and then 'Pass it along' much more Benefit would be derived."—RUTH CURRENT, State Home Agent.

These licenses have been issued by the state since the year (for beer licenses) began May 1, and it is anticipated that the number for the state will reach last year's total of 5,148 before the tax year ends months hence.
