Good Service

Is Opposed By **County Growers** County Growers And Ship-

pers Of Sweet Potatoes Join Others In State In In Requesting OPA Not To Ceil Prices

SHORT CROP, EXTRA COST IS REASON

Request For Increase In Price For Broilers Was Also Made To OPA

Growers and shippers of sweet potatoes in Columbus county have joined others in the State in placing before the War Food Administrataion and the OPA requests that no celling price be put on sweet potatoes and that, if a ceiling is established, it be set "as high as possible to compensate for the light yield of this year's crop and the increased cost of production, storing, curing, and marketing.''

The requests were presented formally in Washington on Thursday by representatives of growers and shippers of all states which produce sweet potatoes. For January Term Of Court Among those attending was Randal B. Etheridge, head of the mardal B. Etheridge, head of the markets division of the State Department of Agriculture, and he also conferred with members of the North Carolina Congressional dele-January Court sweet potatoes and request for an increase in the ceiling price of broilers.

For Grand Jury, He Is Charged With Causing Death Of Elvin Justice Washington, Etheridge Friday said that the floor price for U. S. No. 1 sweet potatoes is \$1.30 per bushe I during December, and that she I during December, and that this ceiling will be pushed up to At an inquest held at the court \$1.50 in January and to \$1.65 in house Monday night Paul Fields, February.

Pulpwood, Vital War Ma-terial, Will Be In Great Demand As Long as War

CONTINUED EFFORT BY ALL IS URGED

Greater Pulpwood Produc-tion Will Be Encouraged Next Year To Back Up The U. S. Growing Army And Attacks

This newspaper along with more than 1,250 others in 27 pulpwood producing states were asked this week to continue their efforts to increase pulpwood production in 1944 because of the growing military need for pulpwood products to press the Allied attacks on the Axis, both in Europe and the Pacific.

Walter M. Dear, Chairman of the Newspaper Pulpwood Committee, in letters accompanying Citations to newspapers cooperating in the newspaper pulpwood campaign, thanked the weekly and small daily newspapers for their cooperation in 1943 but urged them not to slacken their efforts

"Pulpwood is still a vital war material, made scarce by the manpower shortage," he said, "Our fighting forces will need it as ong as the war lasts, as long as there is an American soldier on

At the same time, Frank Block, Director of the War Activities companying War Bond awards to ers Help Cause Gasoline contest for the best local pulp-Drouth On Eastern Coast wood campaigns, indicated increased governmental and industrial activity in the 1944 Victory Pulp-

wood Campaign. The War Production Board, the Agriculture Department and War Food Administration, the War Manpower Commission and the Office of Price Administration, he said, are preparing a 1944 program to encourage and facilitate greater pulpwood production.

Mr. Block praised the news-papers and their local pulpwood committees for their work in 1943, and urged them to redouble their efforts and "help win the
