How Different Will be Post-war Homes?

"It's the little things" says Dan. "Like a well-worn chair before the fire—and a good book—and a friendly glass of beer after a hard day's work. Little things, that are a part of living."

From where I sit, Dan's absolutely right. And I think the men who dream of home from overseas agree—that it's the small, familiar pleasures, that add up to home.
