Knitters Needed By The Red Cross vice on August 6, 1942.

The Red Cross reports an urg- Ira S. Flowers, has recently visent need of more knitted muff- ited his parents. lers, sweaters, etc. The Brunswick chapter has wool and needles. Mrs. C. Ed Taylor, production chairman, asks all knitters to call on her for supplies. By putting in some of their spare time at knitting for the Red Cross, Brunswick county women can aid a great deal in carrying on the war.

REMEMBER?

. Remember on last August 1, when the reports of the hurricane were getting everybody excited. how you wished you'd thought to have windstorm insurance on your house? You wouldn't have been half so worried if you'd already taken care of that

There isn't a hurricane headed this way now. but that doesn't mean we won't have another. Windstorm insurance costs very little, only 20 cents per hundred, so why don't you take that insurance out now?

Just think, if you have your house insured for \$1,000.00 against windstorm damage it will cost you only \$2.00.
