PULPWOOD is a Cash Crop...Harvest it now!

Pulpwood is a cash crop. It is also a continuous crop when your woodlot is properly harvested. No other crop is so dependable. The farm woodlots in our community are among the farmers' most valuable assets. They pay cash dividends regularly. Pulpwood, in peace as in war, is one of the most essential of all materials. Now while prices are high

is the best time to cut and prepare for the future of your timber stand by taking advantage of the free advice of your county agent and foresters. You can get immediate cash from your pulpwood for needed farm repairs, new equipment, mortgage payments and new conveniences for your home and family.

WOMAN'S CLUB

The Southport Woman's Club held its regular meeting in the club rooms on Wednesday afternoon with Mrs. H. B. Smith, vice-president, presiding.

The speaker for the afternoon was Robert Godfrey, horticulturist at Orton Gardens, who spoke on "Regional Gardens of the United States." After giving the factors which determine regional gardens Mr. Godfrey spoke of the various types of gardens in the United States. He elaborated more fully when he discussed the gardens of the southeast.

Mr. Godfrey showed specimens of various shrubs and trees which he considers suitable for the southeast's "evergreen gardens" and also showed a collection of plants which he considers a nuisance and which should be replaced by plants of merit. Those present enjoyed the talk very much and asked Mr. Godfrey questions at the conclusion. Following this, Mrs. E. B. Brunson and Mrs. D. E. Arthur served fruit punch and cookies to the large number of ladies present.

COUNTY COMMISSIONER

I am a candidate for the Democratic Nomination for member of the Board of County Commissioners, subject to the will of the voters in the May Primary.

Republican Candidates

At the Brunswick County Republican Convention held Tuesday at Supply, it was the expressed will of the party members present that Republican candidates enter the Primary Election on May 25, 1946.

No candidate was nominated for Sheriff, and no three men were nominated for Members of the Board of County Commissioner. **THERE MUST BE** a primary race for these offices.

I urge that every man whose name was mentioned for either of these two offices file before the deadline, Saturday, April 13. If any Republican in the county wishes to file and make the race for the nomination for any office, he is welcome to do so.

THE FIELD IS WIDE OPEN FOR ANY CANDIDATE TO FILE FOR ANY OFFICE BEFORE SATURDAY.

I have had some valuable experience helping with the work of this office in previous administrations, and I believe this experience will make it possible for me to make you a good sheriff.
