The liberal repayment policy of the bank encourages borrowers to make advance payments on their loans and pay them in full before maturity which has enabled many farmers to own their farms and homes, free of debt, much sooner than planned.

Secretary-Treasurer Carr said.

The Clinton Association has a farmer-owned capital of \$26,635, all of which is invested in capital stock of The Federal Land Bank. The office is located at Clinton and handles the making and servicing of land bank loans in Brunswick, Sampson, Duplin, Pender, and New Hanover.

**For Judge Recorders Court**

Thanks for the encouragement that the good people of Brunswick have given me in my campaign for the nomination as Judge of Recorder's Court.

Thanks again for the splendid vote that was given me four years ago when I was a candidate for the same office.

Thanks in advance for your vote and support next Saturday.

My nomination and election, if you see fit to place your trust in me, will put me in a position to help make Brunswick county a better place in which to live. I am a Democrat without being tied to any ring, clique or faction.
