WILSON ARNOLD
 U. S. No. 17 Supply, N. C.

TO THE VOTERS OF BRUNSWICK COUNTY:

Four years ago I resigned my office as Coroner of Brunswick County to enter the Armed Forces of the United States. I served for three years in the U. S. Coast Guard, and in this, the first election since my discharge from service, I am asking the voters of Brunswick County to nominate and elect me once more to the office which I resigned.

In order to keep the record straight, I wish to remind the voters of Brunswick County that at the time of my resignation, I was not only serving as your Coroner, but was the Democratic nominee for re-election. This honor was given me by unanimous consent of the members of my party, and was based upon my record in office.

I earnestly solicit your vote and support in Saturday's Primary Election.

Various contests were played during the evening and prizes were won by Miss Mollycheck, Mrs. Davis Herring, Miss Eleanor Lee Rees, and Miss Elizabeth Davis. Miss Mollycheck was also presented with a towel set by her hostesses.

The shower gifts were presented in a novel way. Mrs. Clark read a story which concerned a treasure chest and the bride, Mary Anne, and at the appropriate moment a chest, filled with gifts for the bride-elect, was brought in and placed before her.

The guests were served in the dining room, where Mrs. Davis Herring presided at the punch bowl. Miss Mollycheck cut the wedding cake and it was enjoyed with the assorted sandwiches which were on the lovely table.

Other guests were Mrs. Jack Hughes, Mrs. J. B. Cochran, Miss Betty Oliver, Mrs. Maxine Fulcher, Mrs. R. C. Daniel, Mrs. V. V. Frederic, Mrs. Horace Pigott, Mrs. W. S. Wells, Mrs. S. H. Mansfield, Mrs. Mary Bussell, Mrs. F. Mollycheck, Miss Lor-

Recorder's Court Judge

Jesse A. Purvis

Qualifications for the office of Judge of the Recorder's Court include executive ability and business judgment. Many of my friends remember that I was Field Representative for the Farm Production Credit Association from 1934 to 1941. During this period it was my pleasure to do business with hundreds of Brunswick County people, and all of our transactions were handled with mutual satisfaction.

For the past five years I have been employed as Chief Clerk in the Shipfitter's Department at the North Carolina Shipyard, Wilmington.

My educational qualifications include: Graduation from Tabor City High School; student at Wake Forest College; student in Commercial Law School, Rocky Mount.

In all modesty, I submit that my integrity is unquestioned and if successful in my quest for the nomination for this office I will be able to command respect that is due a man of good reputation.

JESSE A. PURVIS

FOR SHERIFF

I think that there are some important qualifications that a man must be able to fill before he is fit to be Sheriff of Brunswick County.

FIRST:

I think that he must be an honest man, and a law-abiding citizen. If there is anything against his personal record, or if there is any reason to doubt his honesty, people cannot have the respect and confidence that they should have in the man who is at the head of law enforcement for the county.

SECOND:

I think that a man must be fearless. By that I not only mean that he should be willing to lead his deputies into the face of certain danger, but I think he should be man enough to withstand the pressure of people who seek special favors that will undermine good law and order in our county.

THIRD:

I think that a man must have experience as a law enforcement officer before he asks the people to place him at the head of that organization for our county.

I can truthfully tell you that I believe that I can fulfill every one of these requirements. I believe that if you will ask the people who know me as a man and as an officer, they will tell you the same.

In making my final appeal to you before the Primary Election I want to close by promising that I will be ready, day or night, to go into any part of Brunswick County to help enforce the law; and I will serve every man who calls upon me, whether he be rich and powerful or whether he be poor and humble, to the best of my ability.
