Announcing

THE OPENING OF THE **SHALLOTTE**

OFFICE OF THE
WACCAMAW
BANK AND TRUST COMPANY
WEDNESDAY-AUG. 14TH

We invite you to take advantage of the complete banking facilities offered. A Waccamaw Bank account gives you . . .

PROTECTION: Your money can't be lost, nor stolen, nor burned. And there is no danger of paying twice —your cancelled check is a perfect receipt.

RECORDS: Your bank statements and check stubs tell you exactly who you paid, when you paid, and how much.

CONVENIENCE: Your money is always at the tip of your pen. No waiting for change or receipts. And you can deposit in any branch of the Waccamaw Bank for credit to your account in Shalotte.

You become identified as a customer of the largest bank in this section, and you have a valuable connection with a local institution large enough to take care of your needs, but not too large to know and appreciate your problems.
