

“You Don't Have To Leave Brunswick”

Our's is a county that challenges the energy and imagination of ambitious youth. The time when it was necessary for young boys and girls to figure on leaving home in order to find opportunity has past. You'll find the best chances for making a successful start in the world right here at home.

If you need to go to the hospital, you don't have to go outside your home county for the finest medical care. If you wish to place your children in progressive public schools, you find them conveniently situated throughout Brunswick. There are good churches, served by able ministers, in each community.

Just name some article you need to purchase, some service you need in the way of repair or installation. Then take an inventory of the business places which serve Brunswick county. You will discover that practically any need you may have can be furnished by friends right here at home.
