As is indicated by the score, the boys' tilt was a tight, close-guarding affair which saw many shots missed because of hurry and over-anxiousness. Jack Swan, Southport forward, led the scor-

Leland Teams In Double Victory

First Games In County League Play See Strong Leland Teams Victors Over Waccamaw; Play Here Thursday

Leland high school won a double-header from Waccamaw Friday night in Leland's first game in the county league schedule.

The girls' game, which Leland won 21-16, was characterized by fouling and poor shooting on the part of both teams. The Leland second string, which was in the game for a considerable time, turned in an excellent performance. High scorers and runners-up were Lewis and White, for Leland, and Evans and Gore, for Waccamaw.

The boys game, won by Leland 37-16, was a more spirited and more open performance. Waccamaw defense was weak, allowing Potter and Gainey of Leland to score 11 and 9-points respectively. Stanaland was the star for the Waccamaw offense and ran up 8-points to be high scorer for his team.

The Leland team meets the Thursday in what promises to be Southport squads at Southport one of the best twin bills of the season.
