We want to thank each and every person in this community for his friendship and goodwill for this organization. We solicit and appreciate your patronage. Needless to say, you buy wisely when you buy the product of the world's largest producers of cars and trucks, for that is the way to maximum dollar value! Rest assured that we'll fill your order for a new Chevrolet just as soon as it is humanly possible to do so. Meanwhile, please let us help to keep your present car or truck in good running condition by bringing it to us for skilled service, now and at regular intervals.
