

Fishing Parties At Howell Point

This Popular Inshore Fishing Spot Promises To Become More And More Prominent In Fishing News

Mr. and Mrs. A. D. Whitley, who operate the small hotel and keep a large number of small boats at Howell's Point for the accommodation of inside fishing parties, made an encouraging report this week about the fish beginning to bite good in the inlets.

They also say that their road, recently taken over and being worked by the State, is in good condition. This is the first time they have ever had anything that could be called a road to this popular fishing point at the mouth of the Lockwood Folly river.

The fishing has been rather poor during the summer but all parties have been satisfied. It is now getting better rapidly and an increasing number of fisher folk are coming in.

Among their parties during the past several days have been James Whitworth and a party from Gastonia, who made a nice catch; Edmond Lewis and son, from Wilmington, who got 17 nice black drum; R. E. Babbington and another party from Gastonia; Mr. and Mrs. W. C. Haswell and a party from Durham; Bill Woodburn and a party from Gibsonville; Raymond Howell and a party from Gastonia; Mr. Hiney and a party from Wadesboro; H. A. Freeman and a party from High Point; Rev. Mr. Clemmon with a party of 10 or 12; Mr. and Mrs. Pleasants and Mr. and Mrs. Gibson and another party from Lenoir; all the past week; Mr. and Mrs. Claude Roberts and a party from Hickory.

All of the above parties made good catches.
