County Roads Get Attention

Among the projects for which bids were asked last week by the State Highway and Public Works Commission was one 4mile stretch in Brunswick county located at Lanvale, connecting U. S. No. 17 with U. S.

This road recently has been greatly improved by widening and grading, and bids are being asked for hardsurfacing.

Another paving project in Brunswick on which good profrom Exum to highway No. 130 at New Britton bridge. This is a 5-mile undertaking on which the highway forces are doing the work. Two miles of this hardsurface already has been spread and rolled.

# **Shrimping Fleet** Returning Home bow.

Local Boats Returning To Off South Carolina Coast For Several Weeks

Away for six weeks, mostly at Rockville, Charleston and George town, S. C., all of the Southport shrimp trawlers have returned home and are standing by, expecting to get going with the shrimping off Southport this

The boats back are those of Lewis J. Hardee, Dallas Piggot, Bill Wells, Paul Fodale and others. Except for a few that are having some slight overhauling, all are in readiness for regular fishing here at home. All are big trawlers, operated by diesel engines and with the latest in fishing equipment.

The Fodale fleet returned from the same place three weeks ago and has since been fishing when the weather permitted. Their best recent day produced 230 pounds of large headed shrimp to each

Nine trawlers composing the Bill Wells fleet have been workwill return here soon.
