In a quiet ceremony which took place January 7, at 4:00 o'clock

in the afternoon at the home of Mr. and Mrs. T. T. Fred Gore, pastor of the bride, officiated. The couple were unattended. The

bride wore a green suit with matching accessories, and a corsage of white roses. The bride and groom are both graduates of the Waccamaw High School. Immediately following the ceremony the couple left for a wedding trip to unannounced points.

quite as hot and lost 37 to 27. Billy McDowell was high scorer with Billy Doshier runner-up. A large crowd came for the game and there really was a lot of noise and enthusiasm.

The Beta Club of Southport high school met at the home of Lena Ward Tuesday night. Lena gave the program after which the business brought up. After the program Mr. Sanders came and told members about plans for the new gym. Delicious refreshments were served to the following: Catherine and Rebecca McRackan, Linda Hickman, Claire Potter, Joan James, G. W. Fisher, Bobby Spencer, Lena Ward, hostess and Miss Long, co-sponsor.

Seen Around: Elizabeth Lupton and Nancy Swan enjoying their trip to Myrtle Beach. Mary Ann Loughlin, Janice Swan, Harriett Corlette and Patricia Adams in Mac's keeping up with the latest gossip. Latitia Hickman being the first one in the sophomore class ready to cut and saw her skirt for home economics. Gloria Hewett and Bernice Phelps watching a basketball game without worrying about what to yell next. If you

don't see much of our boys team at night now, don't get upset. Their bedtime is 9 o'clock on week-days and 9:30 during week-ends—says Coach H. T. Sanders. While talking about our boys team we would like to say we're glad to have two of our old players back, Gene Russ and Bobby Spencer, and we're sorry Leroy Stanley had to leave. We see Billy Doshier still nursing a sprained ankle. Tommy Bowmer, Darrell Fisher, Danny Harrelson and others were getting a little practice during the week-end. Stuart Arrington was enjoying a game of marbles at lunch time. The seniors are still working on their magazine which they hope to publish soon. We saw Mary E. Fullwood reading a library book and Kay Moore looking at magazines Monday. The first period typing class was rearranging the desks and typewriters Monday morning. Since those awful exams are over everyone can breathe a little

better, but wait until report cards come out Thursday. We saw Billy Doshier and Harold Spencer rearranging the desks in the home economics room Monday. Patricia Adams was seen in the library looking up some information in the encyclopedia.

So ends another week, but we'll see you next time with a little more news. Don't forget us!

Tuesday night our teams played basketball, with Bolivia as their opponent. Our girls gave us a thrilling game and won 31 to 24. Catherine McRackan was high scorer with Rebecca McRockan being runner-up. Our boys weren't

IF YOUR ESTATE is SMALL

This Message Is Especially For You

Many people of moderate means have the idea that an estate must be large to warrant the services of a trust company.

This idea is not correct. Most estates served by trust companies are of moderate size. More than half the estates settled by trust companies in this area are valued at less than \$25,000 each. Many are even smaller.

A small estate needs skillful

handling just as much as a large estate. And a small estate handled by our trust department does get the same careful attention as a large one.

The first step—a conference with our trust department to discuss the business aspects of your estate plan. Then have your attorney draw your will according to your plan. Come in today; confidential, no obligation.
