Woman's Club

A time Magazine quiz featured the program for the Southport Woman's Club Wednesday, with first prize going to Mrs. James M. Haper, Jr. The door prize was won by Mrs. W. S. Wells and the two winners shared a beautiful coconut cake between them. Announcement was made that the offer of the club to sponsor the mass x-ray for tuberculosis suspects in the county had been accepted, but that the program will not yet get underway until after February of next year.

B. T. U. Social

The Junior-B.T.U. of Mt. Pisgah Baptist church gave a social at the church on February 4th. Many games were played and everyone had a grand time. Refreshments of cold drinks, cookies and candies were served to all present. These were, Berta Garland Sellers, Sylvia Joan Cumbee, Janice Mildred Royals, Betty Myrna and Dale Wain Suggs, Mary Ann Lancaster, Texas Holden, Royce Clemmons and Mrs. Jarvis Sellers, the leader.

Aldridge - Lancaster

Mr. and Mrs. J. W. Lancaster of Supply announce the marriage of their daughter, Victoria, to Harold Aldridge, son of Mrs. H. B. Aldridge of Southport. The wedding took place in York, S. C., on June 18, 1949. Mrs. Aldridge attended Greensboro College and Mr. Aldridge is a graduate of Wake Forest college.

Pert Pique

Waistcoat or "weskit" - no matter how you pronounce it - means one of the naggiest fashion favorites you can wear. Here it is in crisp, white Lonsdale pique, teamed with navy skirt of the same fabric, as one of the California styles featured in the February Good Housekeeping. The "weskit" can be worn under suits in winter, making it a versatile value at \$8. And \$12 buys the skirt which, like its team-mate, is made by Marjorie Montgomery.

EXPECT BIG MEETING

Three Robeson county quartets will take part at the big singing at Mt. Pisgah Baptist church Sunday morning, February 12, beginning at 10 o'clock. The public and choirs from throughout the county are invited to attend and take part.

PERSONALS

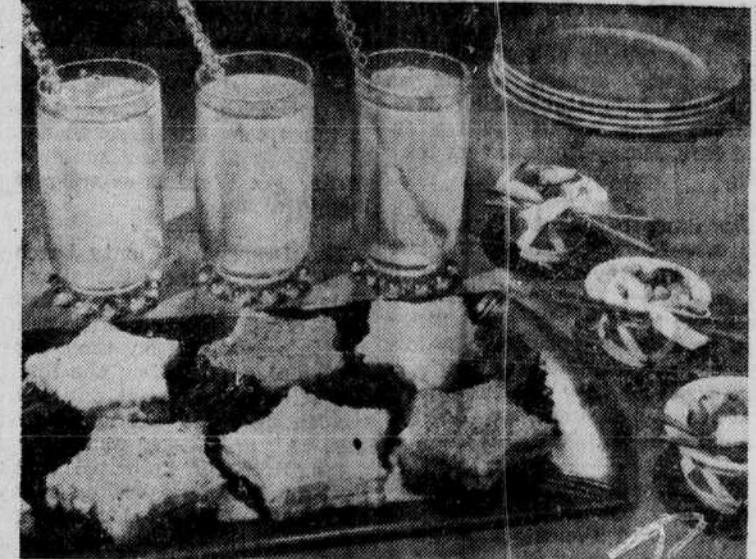

Miss Ann McCracken spent the week-end with her parents, Mr. and Mrs. M. T. McCracken. Mrs. LeRoy Foster of Spartanburg, S. C., has been spending this week at Long Beach with Mr. and Mrs. A. H. Cromer. Mrs. M. W. Mallison of Greensboro is visiting her niece, Mrs. Elsket S. George in Southport for a few days.

VISITED THE TROTTS

C. M. Hood of Nome, Alaska, and his sister, Mrs. Nate Higgins, of Baltimore, have been spending the past week at Long Beach with their niece, Mrs. Charles Trotter. Mr. Hood, who has been with the Army Engineers since 1917, had not seen Mrs. Trotter in all that time.

PATRIOTIC BIRTHDAY PARTY

EVERY youngster wants a party in February to celebrate the birthdays of Abraham Lincoln and George Washington. Probably it will be planned for a Saturday afternoon, and the young hostess will delight in preparing her refreshments herself. Dainty star-shaped sandwiches can be made easily with cookie cutters. They are attractive and carry out the patriotic decoration theme. A refreshing drink is necessary for the success of the menu, and one that is a favorite is made with pale ginger ale. Serve it plain, with a scoop of ice cream, or in a drink which combines it with fruit juices. Ginger ale is excellent for children's parties and mixed with healthful fruit juices the

variety of drinks is unlimited. Here is one, especially nice for a festive occasion, which needs only simple food as an accompaniment. Have ginger ale and fruit juices thoroughly chilled.

Guess we better stop for now. But don't forget us next week. See you around.

The Pirate Log

By: The Three Buccaneers (Kat, Jan and Peg.)
With the exception of ball games the news is scarce this

Sweet Simplicity

French-inspired, American-made is this Fuller cotton broadcloth dress, one of the Kate Greenway juvenile fashions featured in the February Good Housekeeping. Its sturdy seams won't give in the laundry, and its simple design is a friend of the lady who dunks, starches, and irons. Available in desert coral with jade trim, or gray with red, the dress sells for about \$5 in sizes 3 to 6, and a dollar more in sizes 7 to 14.

VALENTINE SPARKLE PUNCH

FEBRUARY is party month, and because of the many lovely decorations and novelties suggestive of affairs of the heart that are available, it is an especially good time for gatherings to fete the engaged couple. St. Valentine parties are not confined just to the day, but are popular throughout the month.

A good beverage is the high spot of the party menu. For ease of serving and lightened work, have a fine-flavored, tangy punch made with fruit juices and pale dry ginger ale. This eliminates running back and forth to the kitchen to fill glasses for the crowd. Your guests will attend to their own refills. Ginger ale gives an extra fillip and sparkle to your favorite punch. Here's one you might like to try, its pretty color blending perfectly with traditional Valentine decorations.

Pink Sparkle Punch
2 1/2 cups sugar syrup*
1 cup pineapple juice
1 cup grapefruit juice
2 1/2 cups orange juice
2 1/2 cups lime juice
4 cups cranberry juice
2 large bottles pale dry ginger ale
Combine sugar syrup and fruit juices. Pour over ice into punch bowl. Add ginger ale. Garnish with orange slices.
Yield: 50 punch cup servings.
* Sugar syrup: Combine equal amounts sugar and water; stir over low heat until sugar dissolves. Bring to boiling point; boil 8 minutes.

week. We guess we should say that with four games there hasn't been room for many other things.

Monday night both Pirate teams tackled the Bolivia Bears. The girls were defeated 33 to 29 and the boys 31 to 19.

Tuesday night both Waccamaw teams were defeated. The girls score was 28 to 25 while the boys came up with a 22 to 14 victory.

Wednesday night the Southport players came to Shallotte. The girls game, which was very exciting, ended once more in a tie. Besides the number of points being 40 for each team, there is something else odd. Each team scored the same number of field goals and free shots. The Southport boys trounced the Pirates for a score of 50 to 30.

Friday night the Pirates met the Leland Tigers. In the first game the Shallotte girls won by a score of 42 to 39. The Leland boys won in their game by a score of 59 to 20.

The basketball players got quite a surprise this week. New dressing rooms are being build in the gymnasium. They are supposed to be completed before the tournament. These showers are to be in each dressing room.

Seen Around: Mary Emma Tripp and Lois Pigott having luck this week. Lois, a guard on the team, got hurt at Bolivia and has been wearing a bandage on her knee. Mary Emma couldn't play in the game with Waccamaw because of a cold. Mr. Carmichael's study halls clearing brick for the new dressing rooms. Vivian McKeithan, a former student of Shallotte, at the ball game with Waccamaw Tuesday night. Geraldine Cox and Rosa Lee Clemmons in Wilmington Saturday. Everybody talking about the tournament at Shallotte.

See you next week.

RUNNING FOR SHERIFF

Everywhere I go these days folks come up to me and say, "Ed, they tell me that you are really running for sheriff". I tell them that there is no mistake about that. I feel that the job of Sheriff of Brunswick county is important enough to go out and work for, I realize that if I am nominated and elected I will have to devote my full time and attention to the task of bringing clean and honest law enforcement to our county. This I am prepared to do.

High Times

Another week has passed which brings us closer to the basketball tournament and the end of school days. With a couple of ball games having been played this past week we hope to have a little more news for you. So here 'tis.

Monday night in our local gym the two Southport teams clashed with Leland. Our girls played an exciting game ending with the score 40 to 34 in their favor. We would like to mention that Pauline Williams was on the court for Leland Monday night, the first game this year that our girls played against her. Rebecca McCracken was high scorer with Catherine as runner-up. Our boys also were good and won over Leland with a score 36-27. Bobby Spencer was high scorer with G. W. Fisher and Gene Russ tying for second place.

Wednesday night Southport teams and spectators went to Shallotte to clash with their teams. Our girls played an exciting game to the finish with the score winding up 40 to 40. Our boys played good ball all the way through and wound up with a score of 50-29. Tommy Bowmer and Billy McDowell tied for high score with Bobby Spencer runner-up.

Friday night our boys team went to Wilmington to play the New Hanover Juniors Varsity. Our boys weren't quite on the ball that night and lost by a score of 43 to 23. Tommy Bowmer was high scorer with Bobby Spencer, G. W. Fisher and Harold Spencer tying for second.

Since eating is everyone's favorite sport next to basketball, you can now have both at the home games in the local gym. Hot dogs, cold drinks and candy are being sold, sponsored by the Beta Club.

Subscriptions are now being sold by students for the magazine which the Senior Class is publishing.

Industrial Leaders Prefer Hospital Saving

Prominent Dairy Manager Says:

"Part blessing, part burden—that's how a man thinks of his family." To lighten the burden by reducing the high cost of hospital and surgical protection for his wife and children, we have made group membership in HOSPITAL SAVING ASSOCIATION available to every employee. We consider this expression of interest in our employees' welfare an important phase of our personnel program."
