Mrs. Withrow Is Hostess To Club

Mrs. J. D. Withrow was hostess to the Woodburn Home Demonstration Club for the February session with Mrs. K. B. Dresser, president, presiding. "Maryland, My Maryland" was sung and the collect was given.

Mrs. J. D. Edwards, secretary and treasurer, made her reports. This was followed by reports given by club project leaders. Mrs. O. W. Perry, flowers and gardens; Mrs. G. C. McKeithen, poultry; Mrs. J. D. Edwards, clothing.

Using a flannel board for demonstration, Miss Corinne Greene, county agent, gave an interesting study on home and lawn beautification and improvement.

The hostess, assisted by Mrs. Albert Lossen and Mrs. Edward Wessell, served a delicious refreshment course carrying out the Valentine motif.

Ten regular members and one

visitor attended. Four new members, Mrs. Pete Skipper, Mrs. Bill Wooten, Mrs. Sallie McPayden, and Mrs. W. C. Skipper, were welcomed into the club.

The March meeting will be held in the home of Mrs. K. B. Dresser Tuesday March 21 at 2 o'clock. Mrs. Dresser cordially invites all members and interested persons to be present.

High Times

Another week has passed so quickly that we can hardly remember much of the news, but we will make an attempt; so here it is.

Friday the high school boys' team went to Kananawille to face the Camp Lejeune boys. The game didn't turn out so well for Southport with the score ending 52 to 28 against them. Tommy Bowmer was high scorer with 12 points while Gene Riss came up next with 6 points. Better luck next time, Boys.

Seen Around: Elizabeth Lupton, telling of her most exciting weekend . . . Stuart Arrington coming to school Monday morning with a frown on her face . . . Janice Swan filling her pockets full of M & M's at Nancy Swan's party . . . Marcia Dilaver hurrying to the drug store Friday after school . . . Pauline McRackan and Louise Anderson drawing a map for English during activity period . . . Karen Swan spending the week-end in Georgetown . . . Mary E. Fullwood struggling to put the zipper in her skirt . . . Agnew Fulcher catching upon his lost art talent during activity period . . . Independence To Be Drive Theme

1950 U. S. Savings Bonds Campaign To Get Underway May 15 And Continue Through July Fourth

WASHINGTON, D. C.—The 1950 U. S. Savings Bonds campaign, to be known as the Independence Drive, will get underway May 15 and run through July 4. Secretary Snyder announced today. The Liberty Bell is the campaign symbol, and "Save for Your Independence," emphasizing the traditional American faith in thrift, is the campaign slogan.

"It is singularly appropriate that this campaign should be known as the Independence Drive, because the spirit of personal independence has motivated our financial as well as our political thinking since our nation's earliest day," Secretary Snyder said.

"As for the Liberty Bell, it symbolizes not only our political independence but also all those characteristics of Americanism which serve to sustain our independence. Of these characteristics, thrift, of course, is one of the most outstanding. Thus in the Independence Drive, the Liberty Bell will be an especially

suitable reminder of the importance of savings and Savings Bonds to our economic life and to be financial independence of the individual."

Ever since the inception of the Savings Bond Program, Secretary Snyder added, it has been recognized as a strong force for the preservation and development of our free enterprise system. The staff of the Treasury's Savings Bonds Division will meet

with volunteer committees representing banking, industry, labor, agriculture, motion pictures, advertising, newspapers, radio, and numerous national organizations to organize the Independence Drive. The Treasury again will depend upon the help of several million volunteers to assure the success of the Drive.

CAMPAIGN PROMISES

I want to make it clear that in my campaign I am making no commitments which later may tie my hands as an effective law enforcement officer. If I am to receive my party's nomination and am to be elected to the office of Sheriff of Brunswick county, it must be done by the individual voter and not by some machine or faction. I believe there are enough good citizens who know me and know my record to give me a chance to serve as head of law enforcement for Brunswick county.

Hospital Surgical Protection

• Each year thousands join Hospital Saving Association's Blue Cross-Blue Shield Plan to get really good protection—without a lot of "if's" "and's" or "but's."

• Unlike policies that pay fixed amounts for certain limited items of hospital care, Blue Cross pays for a broad range of hospital services, no matter how high the cost.

• The sole purpose of Hospital Saving is to provide a sound business-like way for North Carolinians to get the greatest possible benefits at a minimum cost and no red tape.

To The Voters Of Brunswick County:—

Having heretofore announced my candidacy for State Senator from the 10th Senatorial District, subject to the will of the voters in the Democratic Primary to be held May 27, 1950, and if I am nominated and elected I hereby pledge myself:

1. To advocate that the State of North Carolina, by proper resolutions and laws, go on record to encourage and help the Federal Government construct a spill-way somewhere near the North Carolina - South Carolina line and thereby drain the Waccamaw River Overflows, which will mean the reclamation of many thousands of acres of land for farming and timber purposes.
2. To advocate and work for complete understanding and harmony between the towns and cities in Brunswick County, and the rural sections.
3. To secure a part of the seven-million dollar appropriation made by the last General Assembly for port development to be used for the development of docking facilities and the deepening of inlets and channels in Brunswick County. The last General Assembly did not provide for Brunswick County to receive one cent of said funds.
4. To work for the construction of telephone lines and the installation of telephone in all of the homes in Brunswick County.
5. To work for the equalization of old age pensions so that a person living in Brunswick County will receive as much as a person living in a richer county. At the present time those receiving old-age pension checks in Brunswick County receive less than the amount received by those living in more prosperous counties.
6. To work with the State Administration to help Brunswick County receive its fair and proportionate share of the Two Hundred Million Dollar Road Fund and the Fifty Million Dollar School Fund so that Brunswick County will have roads and schools second to none.
7. To work to continue and complete an adequate investigation and survey of the fishing and shrimping grounds off the coast of Brunswick County and North Carolina.
8. To work to provide transportation for all school children regardless of distance, and thereby repeal the present laws which require many school children to walk to school through mud, rain, water and snow, while empty school buses pass them by.
9. To work and do all in my power to see that the veterans of all wars receive all benefits which are provided for them by the laws of the State of North Carolina and the United States, and to vote for and support any legislation that is favorable to veterans.

The foregoing are a few of the things which I hope to be able to do for Brunswick County, but there are many more matters which will come before the General Assembly which I can and will do all in my power to help accomplish.

If you want the foregoing matters and things for Brunswick County, please contact your friends and get them to contact their friends and see that I am nominated and elected by a large majority.

THANKS,
S. Bunn Frink
