Methodist Youth Program Planned

The youth of Trinity Methodist Church will sponsor a Youth Service night Sunday evening at 7:30 o'clock. This program is in the interest of the two youth recreation centers in the Wilmington District, Camp Don Lee near New Bern and the one at Harbor Island.

The collection will help carry forward the youth work at these camps. Special music will be rendered by the children's group and the Methodist Youth Fellowship. Collins Family Lose Possessions

The two-story home of G. W. Collins and his daughter, Miss Lillian Collins, was completely destroyed by fire, together with all furnishings and clothing, when a kerosene oil heater exploded late Monday afternoon.

The home was on the Cape Fear river near Orton. Mr. Collins, a Spanish War Veteran, has been in bad health for a long time and was unable to do anything towards saving the possessions. With no near neighbors to give assistance father and daughter could do nothing but watch their home destroyed. It is said that they had no insurance.

FOR COUNTY COMMISSIONER

I wish to announce that I am again seeking the Democratic nomination for member of the Board of County Commissioners, subject to the will of the voters in the May Primary Election.

You were kind enough to nominate and elect me to this office two years ago, and I have served you to the best of my ability. If you will have me continue, then I shall deeply appreciate your vote and active support.

What value would you place on your telephone?

What value would you put on your telephone if you were to name your own price? What value would you place on those errands your telephone runs, all over town, in good weather and bad? What is it worth to chat with friends and relatives whenever you please . . . or to make a date for bridge or golf?

What value would you put on that hurry-up call to the family doctor . . . or on those important business calls you sometimes receive at home? What's the price tag on a familiar voice wishing you a heart-warming "Happy Birthday."

Probably you'd find it almost impossible to estimate the full value of constant dependable telephone service. When you think how much it does for you compared to what you pay, telephone service stands out as one of today's real bargains.
