

The B-Hive

(BY LEE & MANDY)

Hi there! This nice weather makes one feel like spring is just around the corner, doesn't it?

Well at last we can forget basketball for a whole year. But before we forget it, we want to say "Congratulations, Boys." We are really proud of them for winning second place in the Star-News Tournament. We hope they can do just as good, or better next year.

We also want to congratulate Jimmy Varnum for making the All-Star team, which is quite an honor. There were two more boys

chosen from Brunswick county also. It seems that our county ranks first in producing all-star basketball players.

The main topic around Bolivia high this week is the Beta Club Convention in Raleigh. Miss Miller, Miss Stokes and three Club members, Doris Anderson, Nora Mae Mills and Ethel Purvis, attended. They left Friday afternoon, right after school, and came back on Sunday. They attended the talent show, the banquet and the dance. We know they had a wonderful time and we wish all of us could have gone.

We would like to take this opportunity to extend to Evelyn Evans of Leland our congratulations for winning in the contest for the Azalea Princess from

Brunswick county.

High Times

Here we are again to give the news around the halls of Southport high school.

Our boys' team went to Wilmington last week to play in the Star-News Tournament. They came through by winning over Burgaw and Penderlea, but lost to Bolivia Saturday night.

Thursday night they went to Burgaw to play the Burgaw high school boys on the Pender tournament. Our boys were really on the ball and won with the score 37 to 22, Tommy Bowmer high scorer. Friday night again they went to Burgaw to play the Long Creek boys. This was the game of the year when at the half the score was tied at 15 to 15. At the end Southport turned up on top with a one point lead for a

score of 31 to 30. It was exciting and well played game.

Saturday night brought the finals and the awarding of trophies and basketballs. Our boys were slightly off and lost to Penderlea 40 to 29, but still they brought home silver basketballs for runner-up. We want to congratulate the Penderlea girls and boys for their playing throughout the Burgaw tournament and their championship trophies.

The Pirate Log

By: The Three Buccaneers (Kat, Jan and Peg.)

What a week! Everything has happened.

Tuesday there was a ballgame between the Waccamaw and Shallotte junior varsity teams at Shallotte. The Lady Pirates took over by a score of 33 to 24 while the Shallotte boys trounced the opposing team by a score of 33 to 6.

Wednesday there was an amateur program. In the grammar grades Mrs. Clara Mae Russ' third grade won first prize with the "Hula Dance" and Mrs. Sabiston's sixth grade won second prize with the song "Topsy Turvy". A quartet of boys from Mrs. McKeithan's eleventh grade won first prize in high school; while Mrs. Russ' seniors captured the second prize with a solo by Geraldine Cox.

These programs have been put on to raise money for the gym dressing rooms. Besides these there have been cake walks the whole week.

Friday there was a movie starring Joe E. Brown.

We sure would like to extend our congratulations to the three boys in Brunswick county who were chosen to be on the Star-News Dream Team. We were also very glad to hear that our neighboring schools who entered the tournament did very well.

Monday night at the Legion Hut the Brunswick county attendant for the Azalea princess was chosen. As you probably have already heard it was Evelyn Evans of Leland. Second place went to Gloria Hewett of Southport and third place went to Marie Fulford of Shallotte.

We sure wish the unwelcome visitor who is coming in the gymnasium and lunch room at night would be a little bit more decent and ask if there is anything he wants instead of taking it. We're sure that if he would stop to realize what he is doing he would stop immediately.

Friday the Block "S" club members drank the rest of the cokes which were left over from the tournament.

Seen Around: Mr. Carmichael's chemistry class planning a trip . . . The baseball players sporting their new uniforms around. They look good, boys . . . The juniors planning their banquet . . . The seniors practicing up on their basketball to play Waccamaw . . . Audrey Gore, a former student, visiting school Friday . . . Everybody talking about so many tests . . . And the boys talking about their first game of baseball which is March 24.

Guess that's all the news for this time so be good until next week.

LOST: Boykin retriever, brown and very curly and has clipped tail. Answer to the name of "Rocky". Reward. Finder get in touch with Tommy Garner, Southport, N. C.

Junior Class Practice Play

Juniors Of Southport High School Will Present Annual Play Friday, March 24th

"Out of the Frying Pan", a three-act comedy, will be presented Friday night at 8 o'clock at Southport high school auditorium by members of the junior class.

When three girls and three boys share the same apartment in New York for financial reasons, many complications result. These fine young people wish to become actors and actresses and have a difficult time in persuading Mr. Kenney, the big theatrical producer, to see their version of his Broadway hit.

Dottie Cobourn is the one who is furnishing the money to pay the various bills. Her father sends checks to her from Boston. Mr. Cobourn has no idea that there are boys who share this apartment and when he suddenly appears in New York and decides to visit Dottie and her two girl friends the complications begin to pile up.

Those who want to know the results are cordially invited to come to the Junior play Friday night.

The production is under the direction of Orville A. Robinson, Wake Forest graduate and member of a National dramatic fraternity.
