

The Pirate Log

By: The Three Buccaneers
(Kat, Jan and Peg.)

About everything we heard this week was concerning Washington. The seniors have been talking about their trip all the week and we can't say that we blame them.

Tuesday morning the high school saw a very enjoyable fashion show put on by the home economics department. The girls modeled the outfits that they had made. Tuesday the Pirates took over the Leland Lions by a score of 10 to 7. Friday morning Miss Newton's ninth grade girls put on a very enjoyable chapel program. Their topic was religious music. Read-

ings were by Bobbie Mooney and Margaret Bellamy and a prayer was said by Barbara Milliken. The music was furnished by the freshmen girls. Friday afternoon Shallotte baseball team played Bolivia and won by a score of 19 to 9. Seen Around: Betty Lou Gray and Kay Hewett doing a good job of singing Friday. They were accompanied by Patsy Thomas, Carol Ann Sellers, Mary Emma Fulford. The whole class and the audience also sang. Jack Robinson having the highest batting average. Binky Bellamy, Billy Gray and Scott McKeithan knocking three straight home runs in the game Friday. Winifred Register telling about the long climb to the top of the Washington monument. Cameron Norris, Floyd Kirby Jr., W. J. McLamb, Locky Robbins, Roy Hewett, Floyd Clemmons, Burnett Hewett and Billy Caison telling about Washington. Jimmy Bellamy and Joseph Carter talking. Janice and Carolyn Holden dressed alike. Clarence Lewis, Mary Bell Fulford, Barbara Ann Dew and Marilyn Register talking in the halls. Gladys Hewett, Ida Ruth and Marion Galloway, Lottie Dare Long, Barbara Ann Hewett, Betty Ann Hewett and Jackie Leonard playing ball. June Clyde Caison, Rose Marie Gray and Eva Mae Hewett amusing everybody. Luellen Hale and Barbara Hewett studying. Josh Bennett and Carolyn Smith laughing. Billie Kate Leonard telling about her ride on the roller-coaster. Faye Hewett, Mary Gwen Chadwick, Sylvia Sermons, Betty Lou Williams, Ruby Neil Hewett, Ann Thompkins, Doll Thomas, Gerry Browning and Trudy Hewett talking during lunch. Gwendolyn Blanton and Rosa Lee Clemmons talking on the school bus. Mrs. McKeithan looking for her books. Jamie Hewett pitching Friday evening. Ouida Mae Hewett, Betty Joe Gore, and Joan Fulford having an interesting

conversation. The French 1 students having an awful time pronouncing the words. And everybody looking over their report cards. Well, since it's time to go to the beach again, we guess that books will soon be forgotten; but we will try to force our minds to study three weeks longer anyway. So if the two thoughts, exams and fun, don't get us down, we will be around again next week.

(BY LEE & MANDY)

Hi there! Spring is really here at last and it brings to us the thought of graduation for the seniors and just a vacation for the rest of us.

First of all, the students of Bolivia would like to say, "Congratulations, Jimmy!" James Varnum received a very beautiful trophy for being the most valuable basketball player in the Star-News Y. M. C. A. Tournament. We feel that receiving the trophy is an honor and that Jimmy really deserved it. Engraved on the trophy is "Most Valuable Player; Y. M. C. A. Star News Tournament; 1950; James Varnum; Awarded by Sport Center; Wilmington, N. C." The trophy is really a beauty and again we would like to say, "Congratulations, Jimmy, we're proud of you."

The next exciting thing is the junior-senior trip to Washington, D. C. By the time you read this, the junior and senior classes of Bolivia High School will be touring Washington. The classes will leave on Wednesday, May 3, and will return Sunday, May 7.

The senior class presented their play, "Nowhere Fast," Wednesday night, April 19, and again on Wednesday night, April 26. At this last performance, the popul-

Shallotte Lady Passes Sunday

Mrs. Carrie Russ Leitch Died At Home Of Her Daughter At Wrightsville Sound; Funeral Services Sunday

Mrs. Carrie Russ Leitch, native of Shallotte, died at the home of her daughter, Mrs. A. R. Garner, on Wrightsville Sound early Sunday morning. She was 63 years old and her death followed a lengthy illness. Funeral services were held Monday afternoon at the Brooks cemetery near Shallotte. Rev. C. C. Myers, assisted by the Rev. R. L. Sturgis of Wilmington, had charge of the services. Pallbearers were nephews of the deceased lady.

Survivors include three sons, M. L. Leitch, W. M. Leitch, and R. O. Leitch, all of Wilmington; five daughters, Mrs. R. P. Phelps of Supply, Mrs. Amos Watts of Barto, Florida, Mrs. Luther Davis, Mrs. Adrian R. Garner, and Mrs. C. L. Jones, all of Wilmington; one brother, J. A. Russ of Shallotte; 22 grandchildren and four great grandchildren.

JOINS HUSBAND

Mrs. Sanford Small has moved here to join her husband, who has been in Southport for the past several weeks.

Contest for "Miss Bolivia School", sponsored by the junior class, was climaxed. The contest had been in progress since April 19. The contestants for the title, "Miss Bolivia High School", were: Flossie Faulk, Annie Lou Johnson, June Gray, Clara Lee Willetts, Polly Lewis, Aleze Knox, Alberta Skipper, Lois Jane Hickman, Myrtise Hickman, and Edith Purvis. The winner of the crown was Myrtise Hickman, "Miss Bolivia of 1950". She was also presented with a very pretty compact by the junior class.

It seems that everyone present enjoyed the county-wide music festival that was presented in the Bolivia school auditorium Thursday night, April 20. Students from all the schools participated in the program. We are looking forward to seeing the music festival become an annual county event in the future.

Well all this chatter must be getting boring, so we'll say "long. Be good to yourself."

★ TRUE Beauty ENDURES

When planning a memorial, beauty of material and design should be of first consideration. For unless a memorial is beautiful, it fails in its purpose—that of perpetuating a beloved memory. It is equally important to know that the beauty so carefully planned will endure.

We can supply cemetery memorials of distinction carved from the best of monumental materials by the leading artisans of America.

Feather-bedding scheme of Firemen's Union to put an additional fireman on diesel locomotives has been

CONSIDERED TWICE!

Fact Finding Boards appointed by Presidents Roosevelt and Truman have said these demands were "devoid of merit" and they were

REJECTED TWICE!

Now the Firemen's leaders seek to paralyze railroad transportation to compel the railroads to employ a wholly unnecessary additional fireman to ride on diesel locomotives. This scheme is plain

FEATHER-BEDDING!

LEADERS of the Firemen's union have called a nationwide strike starting with four great railroads on April 28. These railroads are the New York Central, Pennsylvania, Santa Fe, and Southern.

The union claim that a second fireman is needed on grounds of safety is sheer hypocrisy. Safety has been dragged into this dispute only in an unsuccessful effort to give a cloak of respectability to vicious feather-bedding demands.

After a careful study of the first demands of this union, a Presidential Fact Finding Board on May 21, 1943, reported to President Roosevelt that there was no need for an extra fireman on diesel locomotives.

Again, on September 19, 1949, after a second hearing on the union leaders' demands, a second Board reported to President Truman that: "there presently exists no need for an additional fireman... upon either the ground of safety or that of efficiency and economy of operation."

Safety Record of Diesels is Outstandingly Good

Although the railroads accepted the Board findings, the union leaders have brazenly rejected them. They represent that an

extra fireman is needed for "safety" reasons. Here's what the Board had to say on that point:

"The safety and on-time performance of diesel electric locomotives operated under current rules have been notably good . . .

"Upon careful analysis of the data submitted on safety, we have concluded that no valid reasons have been shown as a support for the Brotherhood proposal under which a fireman would be required to be at all times continuously in the cab of road diesels. The proposal must be rejected."

The real reason behind these demands is that the union leaders are trying to make jobs where there is no work. In other words, a plain case of "feather-bedding."

The railroads have no intention of yielding to these wasteful make-work demands.

"The Safety Record of Diesels is Outstandingly Good . . ."

PRESIDENTIAL FACT FINDING BOARD REPORT
Read these excerpts from official reports of Presidential Fact Finding Boards:

"The safety record of Diesels is outstandingly good, and it follows that the safety rules now applicable have produced good results."

"The safety and on-time performance of Diesel-electric locomotives operated under current rules indicate that Diesel-electric operation has been safer than steam locomotive operation . . ."

Remember! These are not statements of the railroads. They are just a few of the many similar conclusions reached by President Truman's Fact Finding Board which spent months investigating the claims of the union leaders.

We are publishing this and other advertisements to talk to you at first hand about matters which are important to everybody.
